TEASE!

THIS·MONTH·IN·CLUB

From the mag that didn't bring you the Hitler Diaries, a bomber on the moon or man-eating vegetables, comes the greatest scoop of all time: **Charles Dickens Was A Cigarette Lighter!**

Yes, we can exclusively reveal that the famous author of *Nicholas Nickleby, A Tale of Two Cities* and TV's *Two's Company* was in fact a Ronson automatic with adjustable gas outflow. As proof, we offer our stunning picture of the charming Jo.

As if this wasn't enough, when we were looking at the trouser-trouncing shot of Sue, we suddenly realised the implications: **Shakespeare Was A Fan Belt From A 1975 Mark III Ford Cortina!** It's incredible, isn't it, to think of classics like *Hamlet, Troilus and Cressida* and *The 1975 Mark III Ford Cortina Handbook* coming from the pen of a mere fan belt? Incredible — but true.

But it was as we gazed upon Dee's bounteous bottom curves that we received the greatest shock of all. Look for yourselves — irrefutable evidence that **The Canterbury Tales Were Written By A Splodge Of That Odd Pink Stuff You Get On Wimpy Burger**. No wonder they don't make any sense at all.

But what certainly *does* make sense is stopping reading this right now and taking a look at the gorgeous gang of naked girls that are packed into this, our sexiest ever, ever, ever (honest) issue of Club International.

Come back next month, when we will discover how **American President Reagan Was A South Korean Diarrhoea Pill** and *The Collected Works of Leon Trotsky* were written by a wart hog. Personally I think this is taking things a bit too far, but anyway, bye for now!

the girl you've asked to see

There's no debating who your favourite girl of Vol 19 No 10 was — and Racquel's so chuffed that all her clothes seem to have fallen off again!

"I couldn't believe all the letters that I got after I'd been in Club and I'm still reading through them now — each and every one of them! I reckon it'll take me weeks before I've read through all of them, especially the naughty ones — I spend ages reading those ones." ♣

If you've been at it like a rabbit, then send your rampant ramblings to: In The Bag, Club International, 2 Archer Street, London W1V 7HE.

SNAPPED!

The Club Quicksnap has been out again this month to find more tits and arses exposed in public places. First up, Esther Rantzen's performing pet, Adrian Mills. A *That's Life* viewer had sent him a turnip shaped like lusty Debee Ashby. Will it turn out to be that other well-known vegetable Doc Cox in drag? No, it's the real thing — unless, of course, you know any different...

Also getting his point across is Lord Sutch who can't be that much of a raving loony if he hangs out with potential voters like Club model Susie. Although she swings to both left and right, Susie believes in airing her viewpoints, but will his Screaming Lordship impress her with his manifesto?

Judging by his smile, he could well be about to lose his deposit!♣

Raunchy Revenge

I am a 32-year-old female rep who was very happily married until I discovered my rat of a husband was screwing his secretary. Immediately I embarked on a quest for revenge and I hope my hubby will read my letter in Club as it's his favourite magazine.

I too decided to take a lover and knew exactly where to find one. My area manager Clinton fitted the bill perfectly. He is 25, dark skinned, very handsome and sexy and was always asking me out for lunch or dinner. When I told Clinton that I'd finally decided to accept his invitation to lunch he was delighted and we agreed to meet at a lovely country pub.

It was a beautiful hot July day and I'd dressed to make the most of my slim, leggy 34-24-33 figure in a white cotton blouse and tight, short skirt with stilettos and only a lace G-string underneath.

It was the first time I'd worn my G-string and the cool summer breeze tickling my bare bum all morning meant I was feeling very sexy when I met Clinton. He looked great and I soon made it clear that my husband was neglecting his bedtime duties and not seeing to my needs. Soon we kissed and he suggested that we go for a nice walk which really excited me as open-air sex has always been a secret ambition of mine.

We drove out to a local beauty spot and were soon walking deep into secluded woods equipped with large car-rugs, looking for a spot to fulfil my needs and fantasies.

Soon we were safe in a quiet place deep in the woods. We started kissing and pulling at each other's clothing. Clinton calmly stripped me to my thong and then undressed himself, slowly exposing his magnificent body. He was over six feet tall with incredible biceps and a strong chest. Between his strong thighs stood the biggest cock I have ever seen. Easily eight inches long and two inches across. I gasped at his rigid black pudding of a tool but Clinton was in total control. Easing down my G-string he saw my ginger triangle matching my flame red hair and confessed he'd always dreamed of me being a natural red-head.

Smoothly, he manoeuvred us into a 69 position and I felt his hands parting my bum-cheeks and his tongue teasing my juicy pussy then my outer lips. I grasped his giant pole in both fists and exposed a fiery helmet which I licked and sucked as if my life depended on it. I gobbled him as well as I could but his fanny licking was so good I couldn't concentrate. My neglected pussy parted as his tongue darted and delved, probing inside my twat and rasping over my swollen clitty. My juices soaked my thighs and as my climax exploded I released his dick head from my mouth and squealed with delight.

I was so horny now and I knelt astride Clinton and lowered myself onto his cock which he carefully guided inside my sopping cunt. I pushed down hard and luxuriated in the sheer excitement of his hot, thick cock easing smoothly into my pussy, opening and stretching my pussy walls.

Soon I had all of him and as he yelled, "Lisa, you've got such a tight pussy!" I began to ride his cock slowly. We built up the pace until we hit a beautiful rhythm, me sliding up and down on his pole while Clinton's hands massaged my boobs, nipples and buttocks. As our pleasure built, so did our pace and I

Dear Michaela,

Could you please confirm that you are not just a figment of my imagination. I saw you in Vol 19 No 8 and have not stopped thinking about you since. You are too perfect to be true! Your face is so beautiful, your tits so big and round. Your legs too are so perfect and so long. And your pussy... Oh, words just fail me! — *Mark, Staffs*

No, Mark, I am certainly not a figment of your imagination, but I hope you have a good and dirty time imagining what we could do together while you are looking at my pictures. At the moment I have got three fingers pushed up my pussy and I am pretending that you are screwing me 'doggy style'. I've got this thing about having a bloke shag me from behind. I don't know what it is, but it makes me go crazy! I can imagine that as you pump into me I reach between my legs and play with my clitty. I'm really frigging myself now, and believe me, there's nothing imaginary about the come that's dripping onto my fingers! — **Michaela** ♣

lost myself in wild abandon, looking down to see the incredibly horny sight of Clinton's ebony joy-stick plunging into my ginger-fringed minge.

The excitement reached fever pitch and as Clinton thrust hard upwards, the extra penetration triggered a noisy and glorious climax deep inside my body.

Now Clinton was rampant. Rolling me over onto my back he mounted me, hooking my legs high behind his back and resting his cock at my outer lips, throbbing with excitement.

"Now I'm going to give you the good seeing-to you've obviously been wanting for so long!" he said, and thrust home balls-deep in one mind-boggling, pussy-stretching drive of his strong hips. I howled in ecstasy as he hit a powerful, smooth rhythm with long, deep strokes giving me just the shafting I desired. I moaned, writhed and scratched at his body as his huge cock hammered home and his big black balls slapped against my arse. A series of sharper and shorter thrusts sent me into another torrid orgasm and I shrieked loudly.

Then Clinton jumped off me and I knelt down on all-fours. He gripped my thighs then plunged his tool deep into my love-cave, the penetration so deep that I thought I could feel his cock-head in my throat! He proceeded to roger me pure and simple — no frills but plenty of thrills, a superb banging while his fingers found my clitty and rubbed it gently. I just went wild, losing track of time as, with his huge pole in my fanny, my body was taken over by a

Dee

Photographs by Denys Defrancesco

We first saw Dee hitching a ride in Club Vol 17 No 4. Now it seems she's put her driving days behind her and got on her bike. In fact Dee, who's studying for a design degree at a London college, says it's the only way to travel when she takes time off from the hustle and bustle of city life.

"London can be so tiring sometimes," says our soft-spoken free-wheeler. "Everyone seems to be in such a rush — and that goes for most of the guys too. That's why if I meet a

nice guy I take him for a ride in the country and show him how to screw the way I like it — nice and slow.

"I really appreciate it when a guy takes time over my body, just touching gently at first. I like to feel his fingers caressing my firm boobs, making each of my little nipples hard. But best of all I love it when he kisses slowly down to my pussy... Believe me, the longer he keeps his head down there the better!" ♣

PROGRESS

GOBBLE!

Rural ratbag ***Nathaniel Fatbastard*** *has always coveted an extensive country seat – with or without a pile attached. So our scoffing celebrity squire took a trip to Farkham Hall and found out that not all Gents are for boking in...*

As my closest friends know, I keep a big pipe tucked in my trousers. There's nothing I like more after a seven course dinner of soup, fish, meat, dessert, cheese, coffee and liqueurs to get it out, and suck it thoughtfully, wave it about or poke people with it to emphasise a point. It's not a long jutting one but has a kink in it, so takes a lot of preparation before putting it in your mouth. Every time I have to scrape it with a special tool and stick pipe cleaners up its tiny hole to clear it out. But once it's burning hot, it soon starts belching forth, filling the room with its unique aroma.

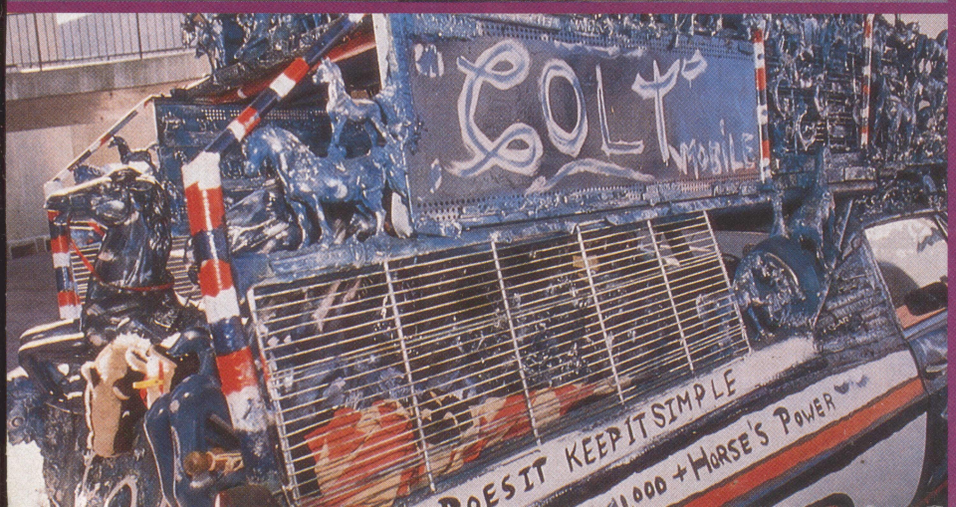
I find women tend to gather around a man with his pipe out, which is one of the reasons I took to it. The other is that I'm a bit of a country gentleman at heart, and have always fancied squiring in some tiny village. As a celebrity gastronome, I hang out with some of the biggest knobs in Britain, and like to think I can hold my own. So it was no surprise when I was invited to Lord and Lady Richarse's place in the country for the weekend when TV drunkard Keith Rhoid dropped out at the last minute.

Lord Richarse lives in a cluster of towers and turrets called Farkham Hall. This bunch of stately piles can be found at the bottom end of Wilts, and a weekend there means tweeds and plus-fours, so I set about getting togged up. Unlike that incontinent geriatric J.R. Hartley and his arthritic friends who are too lazy to get off their leaky bottoms to find what they want, I don't need the Yellow Pages. I know exactly where to find good clothes. *Dung and Co,* gentlemen's outfitters since 1983, (122, Brogue Street, Mayfair) used to be hatters, and many of their older male staff still are. They provide a complete range of brown and grey clothes for the city and country with a servility that has you checking behind their ears for skid marks. I settled for a herringbone suit in Harris tweed (so named as the wool used comes from the sheep's arsehole) 230 guineas, a pair of brown brogues (pock-marked lace-ups) 45 guineas, and a shooting stick for £20, seven shillings and sixpence.

Next it was to my favourite tobacconists for a rough shag. *Tarr Lungrowth's* (17, Old Holborn, WC2) has been serving the upper wheezing classes since 1732 from their zebra-striped mock-Tudor building. Here one can find everything for after-dinner cigars, tobaccos, brass spittoons are all on sale. A truly traditional tobacconist, Old Mr Tarr will expertly blend the pipe tobacco you want from his vast selection, so the individual smoker can match his mucus with the phlegm colour chart on display. For mahogany brown with flecks of green, I plumped for a two ounce tin of Olde Captain Scurvy's Ready Rubbed Rough Naval Twist (£1.99) and a box of King Ethelred's Double Corona Obese Panatelas (£49). For an extra touch of style, I also picked out a silver plated monogrammed cigar cutter, (£5.99) with a digital clock concealed in the shaft.

By Friday night, I was crunching up the drive to Farkham Hall — I'd tripped on the step and accidentally got a mouthful. Tired by the journey and the 12 pints of Yellow Trouser Stripe lager (£1.20), I retired straight after the welcoming buffet and half a dozen tumblers of punch. At 7am on the dot, I was woken by devilled kidneys, but after a good piss I felt a lot better. Breakfast was served by that old wrinkled retainer, Scrotum, the Lord's butler for 40 years. There was Bucks Fizz to start — his Lordship has an eccentric taste in music — then I

NUTTER'S CORNER



The Nutter's Corner department has received a complaint from Mrs Doris Spanner of Borehamwood. "Why," writes Mrs Spanner, "does your section always feature Californians? Aren't you ignoring the many other nutters who have worked long and hard to earn a mention in your huge organ?

"For instance, I have stripped naked, covered myself in lard and sat on my roof singing *Ging Gang Goolie Goolie Goolie Goolie Wotcher Ging Gang Goo* every day for the last five years. I think I am nuttier than any of these Yanks."

Mrs Spanner, our cameraman is on his way. In the meantime, here is a picture of a car owned by Mr Richard Colt Snow. Mr Snow has glued 1,045 tin horses to his 1966 Buick Skylark, which now weighs two and a half tons. He has done this because, he says, "I like horses." Mr Snow is a recovering alcoholic, and lives in California.♣

plumped for plovers eggs, bacon, home grown tomatoes, smoked salmon from his Scottish estate, Dahjeeling tea, toast and Marmite.

Despite the presence of Lord and Lady Richarse and their two daughters Kisme and Dryme, the meal was silent until suddenly his Lordship exclaimed:

"I say, whatever-your-name-is, do you fancy banging away at me birds this morning?"

I looked at Kisme hopefully before I realised he meant shoot some pheasants. I'd hoped for a day of high class nosh and vintage vino, not wholesale slaughter of wildlife. But it was too late. His Lordship had already given me a gun. I fingered it nervously.

"You have handled 12 bores before?" he asked.

"I had a dozen estate agents to dinner once," I replied.

"Right," continued the trigger-happy peer. "Tally ho. Let's go!"

I won't dwell on the details, especially since the staff concerned are recovering well from their gunshot wounds, and the structural work on the 16th century listed building is coming along nicely. Suffice it to say that despite several large G and T's as Dutch courage, my aim is about as good as a piss artist in a public toilet. Then I was put on the prize hunter to go off gallivanting after some fox. Unused as I was to the movement of this thoroughbred, the six glasses of stirrup cup and smoked salmon sarnies jumped the hedgerow before I did, forming another somewhat-less-stately pile. Nobody would have noticed but unfortunately his Lordship's much prized hounds immediately left the scent to come and roll in it.

Still, never mind. That night I dined in style on lightly poached trout from his Lordship's stream. At least that's where the poacher told me it came from. I followed it with a bottle of Steamy Martin cognac (stolen), two Ethelred's cigars and yet another repeat of *The Sweeney*. My home may not be stately but it does have TV. I then got out my meerschaum and the tin of Olde Captain, lit up, and didn't throw up once. So, Lord Richarse, put that in your pipe and smoke it.♣

FOCUS ON QUENTIN

Yes, it's part 3,737,986 of our ground-breaking series on the Editor's pets. This month: Quentin, the deformed sperm whale.

Meet Quentin. Quentin is 26, and leads a full and happy life. He is able to share in many of the activities enjoyed by his fellow Editor's pets as they cavort on the palatial Club HQ roof garden. This may seem normal, even ordinary, to the casual observer — but the full truth might surprise you. For Quentin is disabled. At birth, it was discovered that this healthy, loveable animal was — tragically — made of oranges.

"I just don't let it bother me. That's the secret," says Quentin with a broad grin. "The Editor was great too, he helped me through the early years. He'd say, 'Look, Quentin, people are bound to take the pith. You've just got to develop a thick skin.' He's such a lovely guy."

How about ambitions?

"I don't have many. Settle down maybe, have a few pips. And I'd especially like to meet Dr Stefan Buchatski, from Radio 4's *Gardener's Question Time*."

Any words of advice for other mammals born with this problem? "You've got to have the right attitude. Count your blessings: when I get down, I think to myself, 'Fuck me, I could have been made of kiwi fruit, or spare parts from a Honda Civic.' And when you look in the mirror and see nothing but oranges, remember: some people spend a fortune on fancy drugs to see that. You're getting it free!" ♣

PINT OF THE MONTH

With our drinks correspondent, Prententius Pratt

An amusing little tipple from a small Hampshire concern called *Beers of the World* crossed my palate the other day. They import a brew called *36"15*, a cheeky little number which, they maintain, has aphrodisiac powers! The name, or should that be numeric, comes from the French dialing code for their equivalent of our unsubtly sensual 0898 phone lines — the beer costing at least 38p a minute to drink.

Its powers come, say the importers, from 16 plant extracts including ginseng, gingko bolobae and eleutherocoque (oh come, come, surely not, my dears!), and they recommend that two to three of the 250cc bottles should be consumed for the desired effect. Frankly, loveys, I think they are making mock but, my dear pub punters, what will raise your spirits is the strength — 4.9% alcohol compared to around 3% for the average beer.

Also the fruity bouquet and hint of mango make this elixir of love a similar quaff to lager and lime, refreshing and vibrant, and easily palatable compared to equally strong beers such as *Special Brew* and *Tennents Super*. This means you can get ratted very easily indeed. However at £1.60 for a quarter-litre bottle, this aphrodisiac beer is more likely to get you hard-up than hard-on.

***36"15* is available from all branches of *Peter Dominic*.**

Good quaffing, my darlings.♣

IN ARREARS

Hello there, and welcome to another hilarious episode of *Game For A Barf.* Now what Julie here doesn't know is that I've replaced her normal knickers with (haw, haw) a pair of invisible panties! What a laugh! God, this is so funny I've split my sides — quick someone, get a bucket. Now, let's see if Julie catches on when I approach her dressed — yes, you've guessed it — as a policeman!

Rear: 'Ello, 'ello, 'ello. What's going on 'ere then? Madam, there seems to be something rather strange about your clothing — or lack of it, more like!

Julie: You what?

Rear (to camera): Haw, haw, haw! She still hasn't noticed my cunning disguise. She thinks I'm a real copper!

Ah hem, madam, you seem to 'ave no knickers on. Your bottom is as bare as the day you were born. What 'ave you got to say for yourself?

Julie: You stupid fucking idiot, Rear! I'm a Club International girl, I never wear any knickers! *— Ricky Rear*♣

series of small but incredible orgasms. I was left drained, exhausted but elated — it was incredible to think that my husband had barely ever brought me to a climax but my new black super-stud had driven me to a multiple orgasm!

Clinton was still rock-hard but near to coming and when he asked me to suck him I happily agreed, desperate to repay the pleasure he had given me. So kneeling before him I sucked his helmet, probing his blow-hole with my tongue while one hand gently pulled at his shaft and the other hand massaged his big balls, heavy with come. Suddenly he groaned and I felt the first burst of his spunk hit the back of my throat. I swallowed quickly but such was the volume of his comings that I had to give up and direct his exploding jizz all over my neck and tits. Not only was Clinton an infinitely better lover than my hubby, he also gave me a 'pearl necklace!' — *Tina, Kidderminster*

Birthday Bonk

In Club Vol 19 No 9 you featured a pretty girl called Ginny with a nicely trimmed fanny. My husband Tom has gone on for ages trying to get me to de-fuzz my fuzz-box, but to no avail. However, lying in bed one morning looking at Ginny's cute cunt lips, I decided I'd give Tom a treat for his birthday.

Waiting till Tom had gone to work, I had a lovely bath and was feeling really randy, especially as I sat with my legs open in front of the full-length mirror, razor at the ready. I had your magazine open at Ginny's page and used her as my model.

I lathered up my fanny with Tom's shaving cream then

set to work carefully smoothing off my curls till I was clean shaven except for a little short strip of bristles along the edges of my slit.

I was feeling so horny by this time that I had to get out my vibrator. It's a huge black affair that Tom bought me in Amsterdam. First I rubbed it up and down my smooth skin, then touched it on my juicy pussy lips. Then, as I switched the vibrator into top speed, I pressed the end onto my clitty. Ooh! It was divine, and boy was I dribbling — I hadn't used the vibrator for about two years so I wasn't really used to it!

Then I had to do the housework so I slipped on a dressing gown, but beneath it I was totally naked. I love being free of restrictive clothing. After lunch I sat out on the patio at the back of the house. It was a lovely hot day so I undid the gown and sat back to enjoy the sun. As my mind wondered so did my hands, my fingers finding their way to my newly shaven fanny.

I thought about all the pleasure Tom was going to have with me and decided that I would slip back inside to get my razor and shave off even the little strip of hair that I had left along my slit. Of course by the time I had finished shaving I was horny as hell again and had to bring myself off a second time!

That night, just before Tom got home, I slipped into my white suspenders, plain white stockings and a sexy dress. And as a special treat I went bra-less and pantie-less! As soon as Tom came home I gave him his present — a new camera.

Straight away he wanted to take photographs of his favourite subject — me!

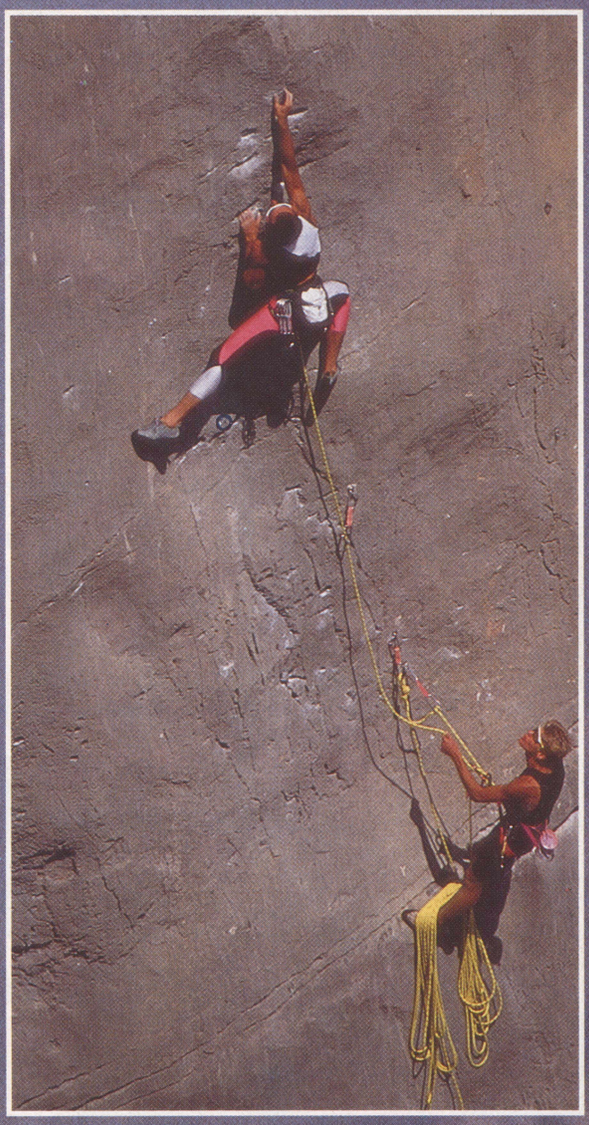
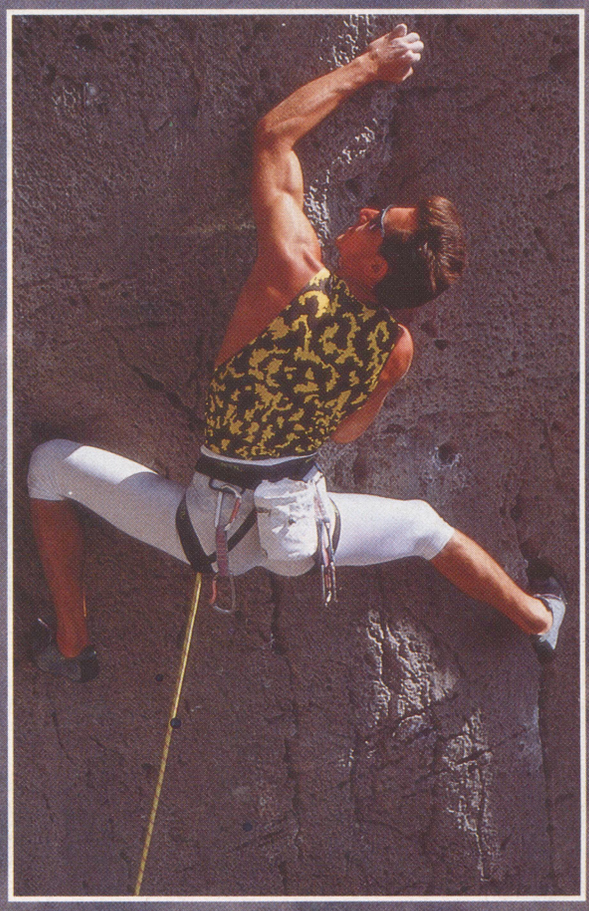
High Risk

Photographs by Philippe Poulet\Remi Benali





If you think marathons are just for elderly ex-DJs, then how's about this then, guys and gals. It's the world's first *Decathlon of the Extreme*, ten events that'll not only knacker you out but fill your pants just sitting there and thinking about them.

This month we bring you the first two – mountaineering followed by downhill skiing over rocks. The organisers, Marc Ollier and Frederic Karcher, took three years to find a French mountain with sufficiently little snow to ski down, eventually settling on the Verdon Gorges in the south east. Here they found just the right sort of nice, treacherous terrain to seriously threaten the lives of the 20 four-man teams taking part.

At the bottom of these cliffs lie some jolly swirling ice-cold rivers and lakes for the water events, and a cycle course even more dangerous than Hyde Park Corner. Join us next month, when we drag the remains of the survivors round the rest of the course. *The Decathlon of the Extreme* is sponsored by *M Balm, Funeral Directors*. ♣

ginny

Hi again fellas, it's Ginny here once again to make all your fantasies come true, right here at Club!

Now a lot of you wrote in asking me what sort of gear I wear if I'm going out for a night on the town. Well, there's one outfit that's guaranteed to make me, and you, feel really randy!

Let me tell you all about it!

I'd have to start with my sexiest underwear, and that just has *to be my black suspenders and stockings — they feel really nice against my smooth skin. God, this just makes me feel like I want to wet a finger and poke it up into my pussy and bring myself off. I bet you'd all like that wouldn't you?*

But hang on, I've got to show you my next bit of sexy

underwear. It's my matching black bra, the small one that pushes my boobs right up, so you can all get a good eyeful!

But do you know what I do to make myself look extra naughty?... No knickers! I love to feel the breeze on my sparse pubes, cooling my hot pussy lips. And what do I wear on top of my naughty underwear?

There's only one thing to

wear that makes feel really hot and horny — it's got to be PVC!

You can't beat the way that it wraps itself around your body. I'll choose my black PVC jacket with just my bra underneath, to make it easier to get naked later on, and I can't forget my bright red PVC skirt, the one that's really small and shows off my cute bum!

Now I'm all dressed up and ready to go, but I'd rather be coming so do you know what I'm going to do now? I'm going to take it all off again — especially for you...

See you all next month guys.♣

letters to Ginny

Dreamgirl Ginny just loves to get letters, and the dirtier the better. So go on — give our girl a thrill! Write to her at Club International, 2, Archer Street, London W1V 7HE.

Dear Ginny,
First of all can I first say how much I enjoy rushing out to buy Club every month, especially knowing that you are going to be in it Ginny!

You really are one of the best looking women I think I've ever seen, and I dream about you every night. If you don't mind I'd love to describe to you how I'd like to see dressed up.

My dream is to see you dressed (and undressed!) in the British athletics running team kit. I'm positive that it would look absolutely stunning on your body!

Those tight, shiny, blue red and white knickers are such a turn—on, as they cling to the bum of the runners, that I'm sure they'd look fantastic on you, showing off all the curves of your beautiful bum! And to top it off, how about wearing one of those running jerseys — the tight ones that would show off your pert breasts.

How about it Ginny? Go on be a sport! — David, *Lancashire*

Well David, I must admit that whenever I see athletics on television, I get incredibly turned on watching those ladies in their tight running costumes! The way their boobs bounce up and down as they run, and the way their bums jiggle about in those shorts has me creaming my knickers straight away!

You fellas all know I'm not really a sporty kind of girl, except in the bedroom — but I reckon I could do a 100 metre dash in record time if I had one of those girls waiting for me at the finishing line!

Dear Ginny,
I bought Club for the first time last month and when I came (quite literally!) across you dressed to thrill in a sexy nurse uniform I felt I had to write in and let you know how much your body turns me on.

Every time I see you in Club I go into a dream!

I lie there dreaming that I am kissing you all over your sexy body. Ginny, I'm sucking your sweet nipples right now! They're getting harder and harder. Then I kiss my way down to your lovely flat stomach, and you are calling out my name. I'm going down further now and I reach your hot, juicy pussy. I'm starting to lick it now and your hand has found my rock hard cock and you're beginning to massage it.

"Get into a 69 position!" you cry out, and I'm only too willing! I feel your tongue licking at my helmet, and my tongue is by now working its way deep into your dripping cunt! You're sucking harder and harder now on my throbbing cock and I can feel myself coming...

Aaah, I've come in your mouth, Ginny, and you are sucking and sucking as my cock is twitching like crazy.

You want more, "Finger fuck me!" you cry, and I stick two fingers into your tight snatch, and you are writhing around in ecstasy.

By this time my cock has stiffened up and you want my cock inside you again. I want to take you from behind this time and I turn you around and you spread your legs wide open. I'm pushing my cock right inside you now Ginny, and you're hungry cunt is creaming away.

I push and push until you scream out that you're coming, I can feel myself coming too but I hold back until you're screaming at me to come! I come in an

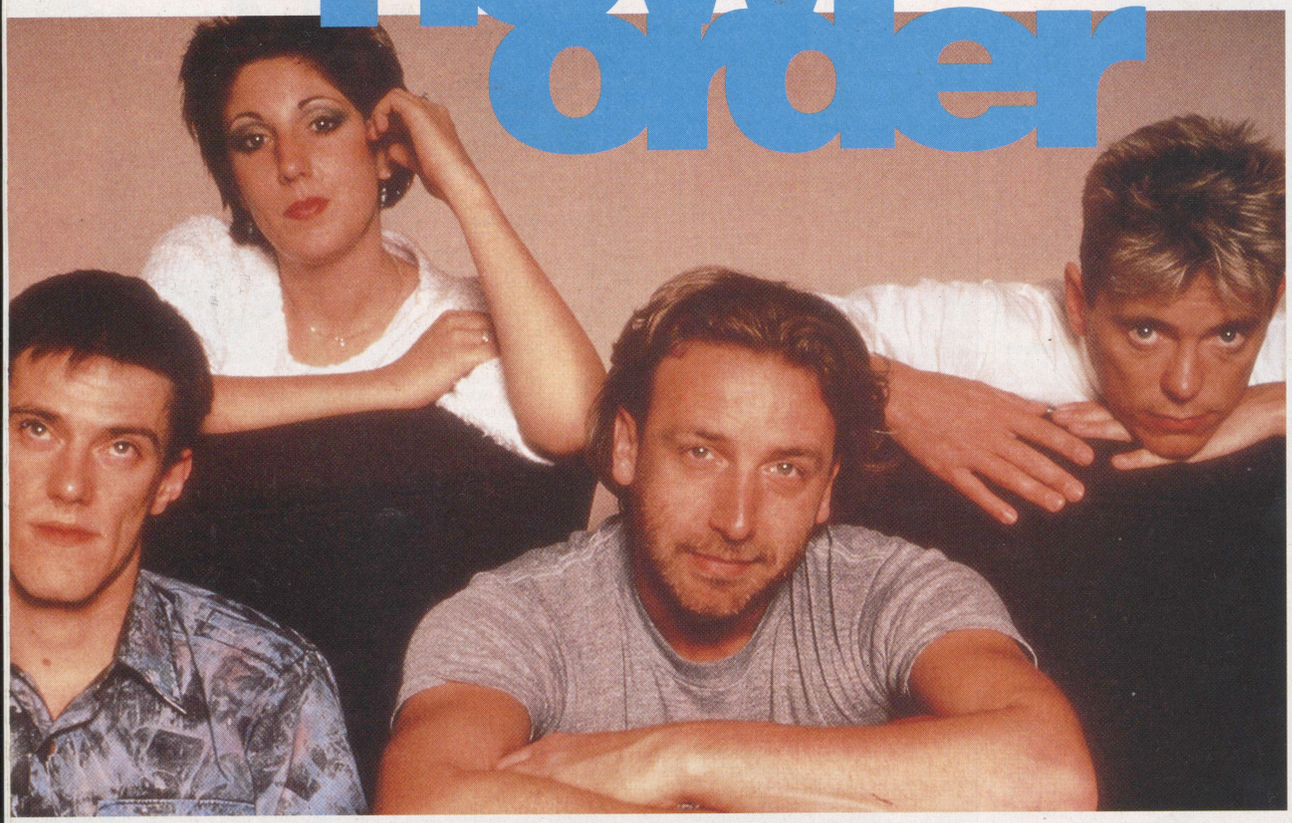
explosive orgasm and we both fall to the floor in a come soaked pile!

Hell, a guy can dream can't he Ginny? — *Simon, Great Yarmouth*

He sure can Simon! And I was dreaming when I read your sexy letter. My fingers went straight down to my pussy as soon as I started to read it.

I parted my love petals, then first one, then two of my fingers were pushed deep inside my pussy as I worked up a steady rhythm. I found my little clitty and then started to rub it, slowly at first, then faster and faster, my cunt was gushing by the time I finished reading your letter. Just goes to prove it... a girl can dream too!♣

new order



*From indie doom and gloom merchants, through closet hippies singing about love and flowers, to football anthem pop pranksters — what are New Order on? **Pierre Perrone** chats to the bass behind the beat and finds out they're not just a bunch of cults.*

There are two kinds of bands: the ones that everybody knows about — The Beatles, The Rolling Stones, Fleetwood Mac and so on — and the cult acts, ignored by the general public but revered by generations of fans who want something more from their music. The Doors, The Velvet Underground and Joy Division are names that immediately spring to mind.

Peter Hook used to play bass for Joy Division — but he'd rather you didn't mention it, if you don't mind. "I'm fed up with the homage people pay to this so-called heritage. The foreign fans are the worst. To them Joy Division are still really precious, whereas they see New Order as a bit flippant."

It is ten years since Joy Division's singer Ian Curtis hanged himself on the eve of an American Tour. Peter and his two colleagues, Bernard Sumner (guitar) and Stephen Morris (drums) decided to soldier on. Having recruited Morris's mate, Gillian Gilbert (keyboards, guitar) they became New Order.

Wisely, the reconstituted four-piece decided not to offer the media a figurehead. "On *Movement*, our first album as New Order, I sang a couple of tracks," says Hook. "But I have trouble singing and playing bass at the same time whereas Bernard can strum his guitar while he's at the mike. Little by little, he's become our main vocalist, but the group remains a democratic unit.

"New Order have always refused to play the game according to the rules of the big record companies. By staying with a small independent label like Factory, we can carry on pretty much as we please. We used to go on tour for the hell of it, with no record to promote. We proved it wasn't necessary to have a hit single to survive as a band. Our albums were selling steadily and we managed to pay the bills," explains the bass-player.

The perverse sense of humour of the combo started to surface on tracks like *Every Little Counts*. "Try and keep a straight face while listening to Bernard singing *You look like a pig, you should be in a zoo!*" laughs Hook. "That one really gets up all those die-hard Joy Division fans' noses."

Still the members of New Order could afford to take a few liberties. Fiddling around with rhythm boxes and synthesizers , they'd managed, "more by accident than design", to come up with a few hit singles. The dancefloors of the UK and the US were soon shaking to the electronic beats of *Blue Monday*, *Thieves Like Us*, *Perfect Kiss* and *True Faith*.

Not content with chart placings, the band started to contribute to the soundtracks of films like *Pretty In Pink* and *Bright Lights, Big City*. Some of their instrumental tracks also turned up on television. They were used to add pace and rhythm to the football coverage.

"That's when David Bloomfield, public relations officer for the FA, got interested. What really swung it for him was the theme music we'd come up with for *Best & Marsh: The Perfect Match*." That show, hosted by the inevitable Tony Wilson (head of Factory records, yes it is a small world) became compulsive late-night viewing for seventies' soccer fanatics.

"When the FA asked us to write a song for the English team, we couldn't very well say no!" explains Hook. "In fact, we were well into it. Doing something like that was a great way to reach people who normally couldn't care less about New Order." With the help of alternative comedian and lyricist Keith Allen, they soon came up with *World In Motion* and its anti-hooligan B-side *No Alla Violenza*. The rest is history, Brian.

Looking back, Peter feels the band "made a positive contribution. The record was catchy as hell and not one of the silly singalong football songs we usually get. Some players like Peter Beardsley were rather taken aback by the result. Others like John Barnes were keen to get involved. I was sure we would get to number one," says the man with the musical plan.

Surprisingly enough, until then the bass-player wasn't a big football fan. "But having met the players for the record and the video, I got interested. And there were little bonuses like being on the touchline at Wembley for the friendly against Brazil." The stuff that dreams are made of.

Still, football is the last thing on his mind at the moment. With the help of Dave Hicks (guitar) and Chris 'CJ' Jones (keyboards), Hook has recently launched his own outfit — Revenge — and released an album, *One True Passion*. The bearded one is keen to stress that New Order aren't splitting up. "True, the others were getting fed up with touring but I haven't lost the urge. I still love getting up on stage and I intend to play live a lot with Revenge."

With Revenge I even get a

chance to forget about playing bass and to doodle with drum programs and all the other gadgets I never have the opportunity to use in New Order. Bernard and Gillian are the boffins of the band."

Michael's leather jacket (*Faith* video, trivia freaks!) I knew I had to use the name for this project, even if it gives people the idea we're a metal band. Not to mention all the hacks who think it's my revenge against Barney for starting Electronic!"

"The only bass player who's influenced me is Paul Simenon from The Clash. He was shit but I loved the way he held his instrument..."

All the same, cynics have said Revenge's sound is remarkably similar to New Order's rockier moments. Hook doesn't agree, and mumbles: "The two groups aren't competing with each other. New Order is the established one whereas Revenge is just starting out. Also it was originally my project though Dave and CJ are now contributing more.

"I try to put less emphasis on the bass but it's difficult to get away from that characteristic sound. Sometimes I feel like I have created a monster, but I honestly can't play any other way than by using the bass as a lead instrument. All the other instruments have to organize themselves around me. I couldn't fade into the background like a Bill Wyman and I really dislike flashy buggers like Mark King from Level 42.

"John Entwhistle from The Who is interesting to listen to, but he's a bit too close to heavy metal for comfort. The only bass-player who's influenced me is Paul Simenon from The Clash. He was shit but I loved the way he held his instrument really low. He looked great!"

Revenge's output includes charming little titles like *Fag Hag, Surf Nazis* and the recent single, *Slave*. Add to this the fact that Joy Division was the name given by nazis to the areas of concentration camps set aside for prostitutes, and you start to wonder if the Mancunians are obsessed with the Third Reich. .

Peter gets slightly animated. "I hate fascists and fascism. Having said that, I can't resist this urge to shock people. I love titles that hit you right in the face. I stole the idea for *Surf Nazis* from Malcolm McLaren: he was always talking about a movie he was going to make called *Revenge Of The Surf Nazis*. And when I saw Revenge written in studs on the back of George Hook decides to play coy about his supposed taste for leather and bondage, and pretends that "CJ is the pervert. I'm surrounded by deviants! You only have to look at our album sleeve to realize that Dave and CJ are plotting against me. They asked Peter Saville and Suze Randall to take some raunchy shots and I get all the flak!"

It seems our man is bored to tears by the topic of Manchester,although he produced *Elephant Stone* by the Stone Roses.

"All these bands, Happy Mondays, Inspiral Carpets, 808 State, are riding on a wave. Unfortunately, it might turn out to be just a craze. Punk was never as obsessed with fashion as this movement is. Joy Division were respected for their music, not because they wore flares.

" People tend to forget that Manchester has always produced great bands: The Buzzcocks, The Smiths, A Certain Ratio, The Fall, James. Without them and

New Order, there wouldn't be any Stone Roses."

They started the 80s mourning their singer, and entered the 90s bopping around behind John Barnes. Hook is hacking his way back to his rock roots with Revenge: where the others end up is anybody's guess.

If they were The Doors or The Velvet Underground, New Order would now disintegrate as noisily as possible, to cement their reputation as cult gods for generations of art students to come. But these cheerful pop surrealists will be with us for some time to come. They'll have to think up a good act to enter the year 2,000...♣

TOP TITS

As I sit here with the rain beating down against the windows of my two-up, double-fronted house in Bristol, my mind harks back to the hottest summer on record for tit fans like myself. It seems it was only yesterday that the sun was shining warmly on bare breasts, ripening their nipples like firm, juicy berries. There's nothing like 95 degrees to turn a pair of 38s into bouncing brown orbs like the ones you see here.

But now, those tanned titties are all wrapped up warm inside big woolly pullies and locked away behind bras. So what's a guy to do? Wait until Spring when those sweet little buds start appearing again?

Indeed not!

This is where the benefits of an effective electric central heating system and comprehensive double glazing really count.

With a thermostatically controlled climate in your lounge, and draughts eliminated by twin layers of toughened safety glass, (able to resist impacts up to five tons), a girl can get her garbonzas out without freezing her nips off. Then you can get your hands on those swerving curves, and hold the heavy weight of her huge funbags in your hands. What's more, the effective soundproofing provided by our double glazing means her screams of joy will not be overheard by nosey neighbours.

If you would like more information about my range of storage heaters, thermostats and hardwood veneer-surrounded UPVC double glazing units, ring now for a brochure. Better still, arrange an appointment, and I'll come round in person, complete with a huge catalogue of pictures of tits. And there's no obligation to buy! - George Breast, c/o Feathernest Double Glazing and Central Heating Co, Essex.

The Editor wishes to apologise but it appears that Mr Breast's new job seems to be getting on top of him. Which is more than can be said for these boobs.♣

Chrissy

You don't come across girls like Chrissy every day — no pun intended. In fact, when the Ed saw this Staffordshire lass walking down the street outside the palatial Club HQ, he knew it was the chance of a lifetime.

"I thought he was joking when he asked me to pose for Club," giggles Chrissy. "I'd never thought of doing something like that. But when I saw a copy and took it home with me, I thought hell, if he thinks I'm sexy enough why not give it a try?

"I made sure I wore my own clothes and posed in my own flat. I wanted to show

myself like I really am. I hope somebody out there likes me!"

"The thing about us girls is, we really like pampering ourselves. I always make sure I've got a few sexy, classy undies with me whenever I travel — it makes me feel like a real woman. But I've always got my leather jacket with me too. I reckon a girl's best friend is her leather: they're cool, they're horny, and getting screwed in one is like nothing else on earth! Besides, an old boyfriend once told me that a girl in

leather gets him hard, so I've worn one ever since..."

For a 19-year-old, Chrissy seems to know her own mind. "Well... I do sometimes. But when I meet a man I really fancy I get very flustered. Blokes can always tell when I fancy them, I blush and stutter... it only takes a raise of their eyebrow and I'm asking them back to mine for a coffee! As long as they're wearing a leather jacket, of course..." ♣

Gutt Of The Stunt

Our man with the massive mashie and the rigid nine iron, ***Frankie Gutt****, sips a snorter at Muffin Diver's 19th hole. We don't understand it either.*

Alright me old hole-in-one-ere's? Frankie 'The Goat' Gutt here, "Voice of Sport" in North Devon's rave repository of raunch, haunch and dairy cattle, the *Exmoor Stunt* ("The tabloid with more udders per inch!").

Well, your old china Frankie has never been keen on the game of golf. In fact the last time I ventured onto a course I spent more time in a bunker than Adolf Hitler. However, when news reached Stunt HQ that America's first lady of the fairways, Muffin Diver, was visiting Doriscombe Loudleigh Golf Club to open the new gin & tonic dispenser, I jumped at the chance of an interview.

Muffin, you might remember, was recently involved in a well publicized incident at Dinglebury, where she celebrated victory in the Shitabriki Tool Parts Open by casting off her plus-fours and giving her caddy the chance to prove that he too could tap in a birdie. Naturally enough, yours truly was hoping Muffin's exuberant mood would continue, especially as I'd been granted an audience with her in the back seat of the limo that was taking her to the airport.

"Well Muffin," I says, as we settled back in the sheepskin covered seats of the big Roller, "after Dinglebury I expect you're dying to get back to it."

"Yes," says Muffin, shifting slightly and giving me a feverish flash of the delights dangling beneath her diamond-patterned jumper. "To tell you the truth I'm just itching to get my hands on the shaft of that driver."

'The Goat' has always been something of a jealous beast, and I was unable to restrain myself.

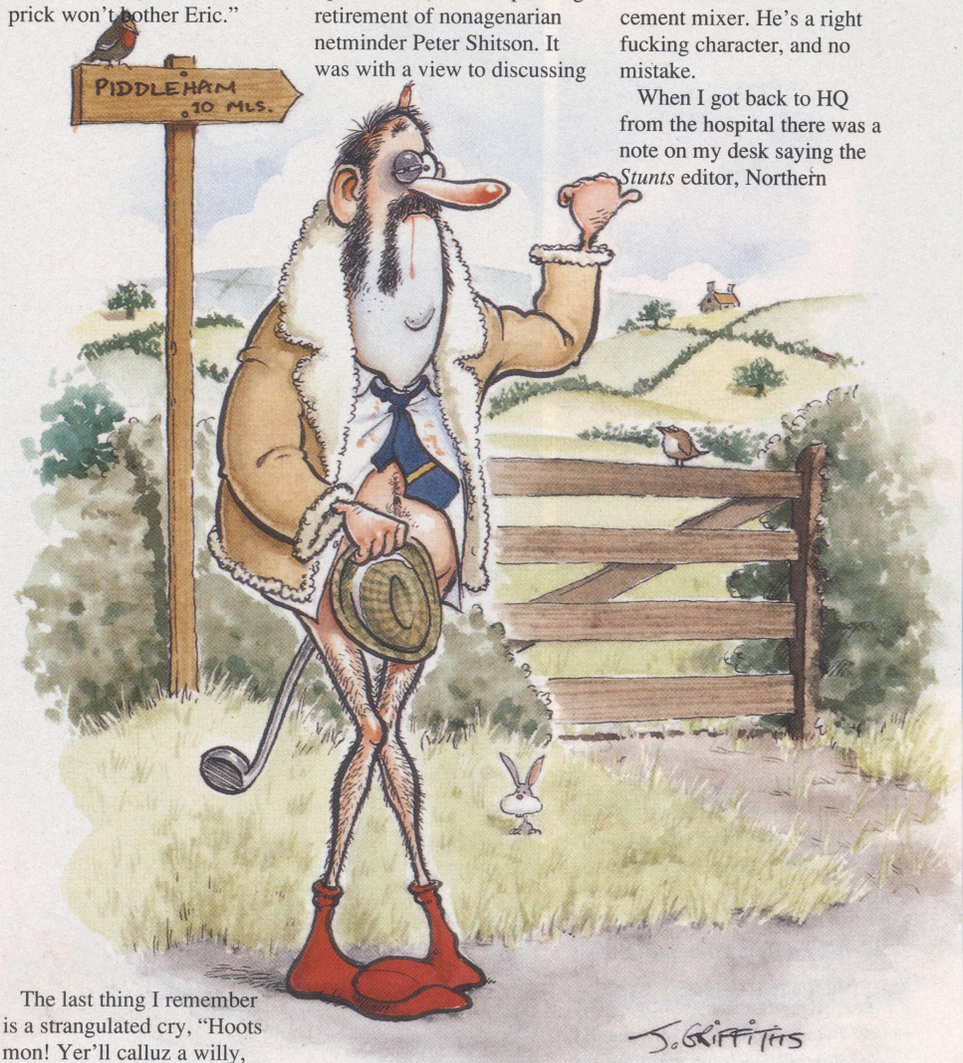
"Never mind the fucking chauffeur, darling!" I roared, dropping my draws and whipping out the old six-iron. "Try practicing your interlocking grip on this beauty!"

It's true what they say: us and the Yanks do speak a completely different language. Although the phrase "perverted old motherfucker" needed no translation.

By the time I'd picked myself out of the ditch and walked the ten miles back to Piddleham it was 7.30. So I went straight into the *Cock & Kipper* to report on the big darts match between Cornishman, Eric 'The Crafty Pasty' Bristols and the explosive little man from Lanarkshire, Jocky 'The Rocky of the Ocky' McNocky.

As the contestants warmed up, Big Eric dropped a dart into his foot. There was a murmur of consternation amongst the crowd, many of whom had sheep and turnips resting on a Cornish victory. By way of setting their minds at ease, yours truly calls out,

"Don't worry, that little prick won't bother Eric."



The last thing I remember is a strangulated cry, "Hoots mon! Yer'll calluz a willy, willya?" Then suddenly everything went black.

The following day didn't start off much better. I went down to Knob Road for a chat with Piddleham Hotspurts' chairman, hippie tie-dye tycoon, Martin Righton. The Spunkfronts are riding high at the moment having put together a record-breaking one-match unbeaten run. The many new signings have started to knit together. Only last week they completed a shawl and a pair of baby bootees.

Up front, Mo Stonecold and Diego Doner have developed an almost psychopathic understanding (and if you think I mean telepathic that's because you haven't seen them punching the shit out of one another in the centre circle). Vimto Vomit, the rutting rhino of the midfield, is fresh back from his spell in quarantine following the Spurts' return from Anchovia and has left most of his opponents carrying more stud-marks than a brood-mare's bum. The only problem facing the Spunkfronts is the impending retirement of nonagenarian netminder Peter Shitson. It was with a view to discussing his replacement that Righton had called me over.

"Frankie, man. Groovy," Righton says as I enter his plush dug-out. "Pull up a scatter cushion. What I want to relate to you about, man, is this Italian dude who was the big star of the World Cup. I'm thinking of like buying him, y'know?"

Fuck me! Schillaci for Spurts. What a story. But...

"Er, Schillaci, Mr Righton, he's a forward not a goalie."

"Cool it, Frankie," says Righton. "I'm not talking about Schillaci. I was thinking about Pavarotti."

"But he's an opera singer!"

"Far out!" says Righton, leaping up from his corduroy bean-bag. "Half-time entertainment. Better than the British Legion Flute & Bassoon Marching Band. Cheaper too. Wow! This is like a real zen happening, y'know?"

Luckily I didn't hear any more of his spaced-out slobber. At that moment Paul 'Guzzler' Gutbucket, the Spurts' Geordie joker, sneaked up behind me and hit me over the head with a cement mixer. He's a right fucking character, and no mistake.

When I got back to HQ from the hospital there was a note on my desk saying the *Stunts* editor, Northern knackerbrain Max Sackwell, wanted to see me. I went into his office to find it packed with Sackwell and his black pudding chomping buddies, Colin Swellglands and Michael 'Pokey' Pokenson.

Pokey is currently hosting a game show based on the film *Nine and a Half Weeks*. It's called *Name That Fruit*. Swellglands, meanwhile, is working on a play about the exploits of cricket's Mr Controversy, Ian 'Porky' Buttocks. The play centres around PRICC's recent tour of Australia. On one fateful night in Rubbabazooma, Buttocks placed a candle in the toilet bowl of colleague Eddie Hairy's room in a bid to give his team-mate's bum a toasting. What Buttocks didn't know was that Hairy was on a hi-fibre diet in an

attempt to lose weight. In the resulting explosion Hairy became the first English off-spinner to be launched into outer space. Swellgland's play, *Hairy's Arse On Fire*, opens soon.

"Ay up, Frankie lad," says Sackwell, when he sees me come in. "What d'you think about rugby?"

"Well, Mr Sackwell," I says. "The day I enjoy watching 30 beefy solicitors wrestling in the mud is the day I'll go see a psychiatrist."

"Nay, lad. Not Rugby Union!"

"By gum, Col," says Pokey, "y'can tell yon lad's never chewed on a flat-cap butty, nor supped a pint of t'Old Weirdo."

"Aye, Pokey," says Swellglands. "As me fatha allus used to say, 'there's many a muckle twixt t'tripe an' t'yoghurt.'"

"Aye," says Sackwell. "We're talking about Rugby League. Col, Pokey an' me are thinking of getting Hull-Kingreat Bastards to come to Knob Road and play against a team of local celebrities!"

"Mr Sackwell," I says, "that's a terrific idea. I can't wait to see Mr Pokenson and Mr Swellglands laying into Celery Brutally."

At the mention of the brick-shit-house-sized superstar from Sheffield, Pokenson and Swellglands went white and there was a distinct sound of wind whistling through gussets.

"W-well, Max old chap," stammers Swellglands, "to tell the truth the old leg's been playing me up something rotten of late."

"My sympathy, old bean," says Pokey. "My back's been a gippy blighter of late. 'Fraid I'll have to take a raincheck on the rugger." And with that the pair of them sprinted out of the office at top speed.

"Fuck me," says Sackwell.

"'Fraid I'll have to decline the offer, old boy," says I. "The wet weather sets the old todger twinging, don't y'know." Then I ran for it.

As me old fatha allus used to say when he come up from t'pub, 'If the North's so fucking wonderful, why does half the population of Yorkshire live in Surrey?'

Until next time. If you go for an up-and-under, make sure it's a long one. Cheers.

TAPED!

Sit back and enjoy another hot selection from ***Allan Bryce****'s video vault (the small cardboard box on top of the wardrobe, under the old copies of Roy Of The Rovers) before his mother finds them and sends him to bed.*

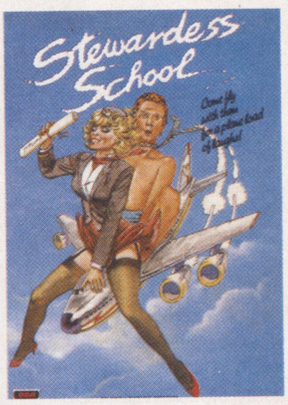
They say that a good editor is one who knows how to separate the wheat from the chaff — and then prints the chaff. The funny thing is that our illustrious Ed more or less leaves my chaff alone... Ah well, down to business, and this month let's start as we mean to go on, with a sizeable dose of red hot raunch called **Housewife Special Number Nine**. There's no messing about here. It's straight into the action with Doris from Basingstoke, who's a lovely girl if you like 'em fat, fiftyish and so crammed into a pair of tight PVC knickers that there seems a threat of spontaneous combustion.

"My husband says I have a beautiful body" she says, leaving one to further speculate that she might be married to Stevie Wonder. But once she starts wobbling those massive boulders about and massaging a handy ten gallon drum of Johnson's baby oil into her humongous threepenny bits, one can begin to appreciate the finer points of this mature lady's figure.

The housewives' choice continues with a couple of randy nurses getting together to test their bedside manners on some very willing patients... Is that a thermometer in his pocket or is he just pleased to see her? Then we meet the delectable Wanda, a pretty young blonde who wears dresses that bring out the bust in her.

Add about 20 more examples of home-grown beauties of all shapes and sizes soaping their bits in the shower or frolicking around the kitchen in their birthday suits, and you've got a good 60 minutes of percy-pounding fun!

Confucious say: "Woman who flies airplane upside down has crack up." The proof of these wise words can be found in **Stewardess School**, one of those irrepressibly 'zany'



American comedies following in the wake of *Police Academy* and featuring a plot that's far too silly to engage the interest of people who are intelligent enough to cut up their own food. The setting is Wiedermeyer Academy, where a motley collection of misfits, madmen, morons, prostitutes and nymphomaniacs train to be pilots and stewardesses.

This movie lasted about 92 minutes, but I didn't. I got fed up with all the stupid jokes and lack of shower scenes — always a necessary ingredient, even on planes — and tuned into **The Girls Of London**, a cheesey glamour epic which really must be seen to be disbelieved. Our compere throughout this bizarre entry is a gem of a London cabby, who takes the viewer on a guided tour of

Imagine the joy of owning two of the sexiest films ever. Yes, that's right! This month your soaraway Club is offering YOU the chance to win not only *Emmanuelle* starring Sylvia Kristel, but also *Emmanuelle 2* starring Sylvia Kristel 2. Worth... ooh ever such a lot... both these X-rated videos can be yours if you answer this simple question, send it to us at *Club Dirty Video Competition, 2, Archer St, London WIV 7HE*, and we happen to pick yours out. We have ten copies of each video to give away, but there are hundreds of thousands of Club readers, so let's face it, you haven't got a hope. Still, here's the question anyway: Emmanuelle was written by: a) *Maurice Chevalier?* b) *Emmanuelle Arsan?* c) *Inspector Clouseau?*

Olympia, The Tate Gallery and The House Of Commons, explaining with a broad wink to camera that these are the best places for crumpet-watching! To prove his point he picks up a City gent and a horny blonde. The latter immediately whips her togs off in the back of his cab, while the City gent ignores her completely, burying his head in the latest F.T. No comment.

After a stream of colourful Cockney slang from the driver, in which the name 'Gordon Bennett' figures prominently, we're off back to the cabby's gaff where his tall blonde girlfriend is doing nude aerobics. It's here that we realise our hero may not be such a Jack the Lad after all. She's showing more gash

than the entire cast of *Friday The 13th*, but he just sits there with an expression on his face like he's the guy in a monster movie who got to see the creature first!

Eventually Gordon Bennett gets up to make his girlfriend a cuppa, seemingly oblivious to the fact that she's lying across the bed starkers with her shapely bum thrust in his direction. While we're pondering the effect that driving a cab has on one's mental processes, the scene switches to another apartment across town, where a dark beauty is doing a spot of in and out with a set of weights. We never do find out what this has to do with anything, nor whether the cabbie's bird gets her cup of PG. The rest of the movie is taken up with various scenic views of the city and scratchy, faded shots of red double deckers. Perhaps I just dreamed the whole thing...

There's a more coherent plot to get your teeth into in **Nurses Of The 407th**, a hot little number that takes its inspiration from the popular film and TV series, M*A*S*H. The setting is a front line Korean hospital, where the doctors and nurses are more interested in bonking each other silly than actually tending to the patients. This fairly explicit 18R production offers some real visual delights, especially the sight of slinky blonde Major 'Hot Lips' (Jessie St James) doing a slow, seductive strip. No wonder every hot-blooded male in the place would love to sink his thermometer into her. Gynaecology students will find it 'dilatefuly' entertaining!

Finally there's just room to mention **Dracula Sucks**, a sexy horror spoof that takes as its theme the night-time prowlings of Transylvanla's battiest inhabitant. As played here by famed adult movie star Jamie Gillis, he goes around sinking more than just his pointed teeth into an assortment of beautiful women like Annette Haven, Seka, and Serena. If you are a sucker for things that go hump in the night, then this is for you. How does that old song go, 'Fangs For The Mammaries...' ♣

"Bloody lovely, Katie, do it again!"

"You've got loads of pictures of my boobs," I laughed, which only encouraged him more.

"Go on then. Let's see your knickers!" he said. "What colour are they tonight?"

"Guess it right and I'll show you," I teased. He tried desperately to guess — but there was no way he could get it right seeing as though I didn't even have any on!

Just as Tom was about to find out for himself by lifting up my dress, our friends, Jerry and Lucy, came round to take us out for a birthday meal.

While we were going along in the back of Jerry's car, Tom couldn't resist groping my boobs and feeling up my legs. I let his hand get high up into my crotch and he suddenly realised that I wasn't only pantie-less, I had no pubes either!

Tom gasped and Lucy turned around to see what all the fuss was about. She stared at my bare pussy which Tom had exposed. I felt rather proud as she looked at my cunt and I opened my legs a little further so she could see a little more of my chewy pussy lips.

"Am I seeing things, or have you shaved off all your pubes?" giggled Lucy, as Jerry pulled the car over into a lay-by to have a look for himself.

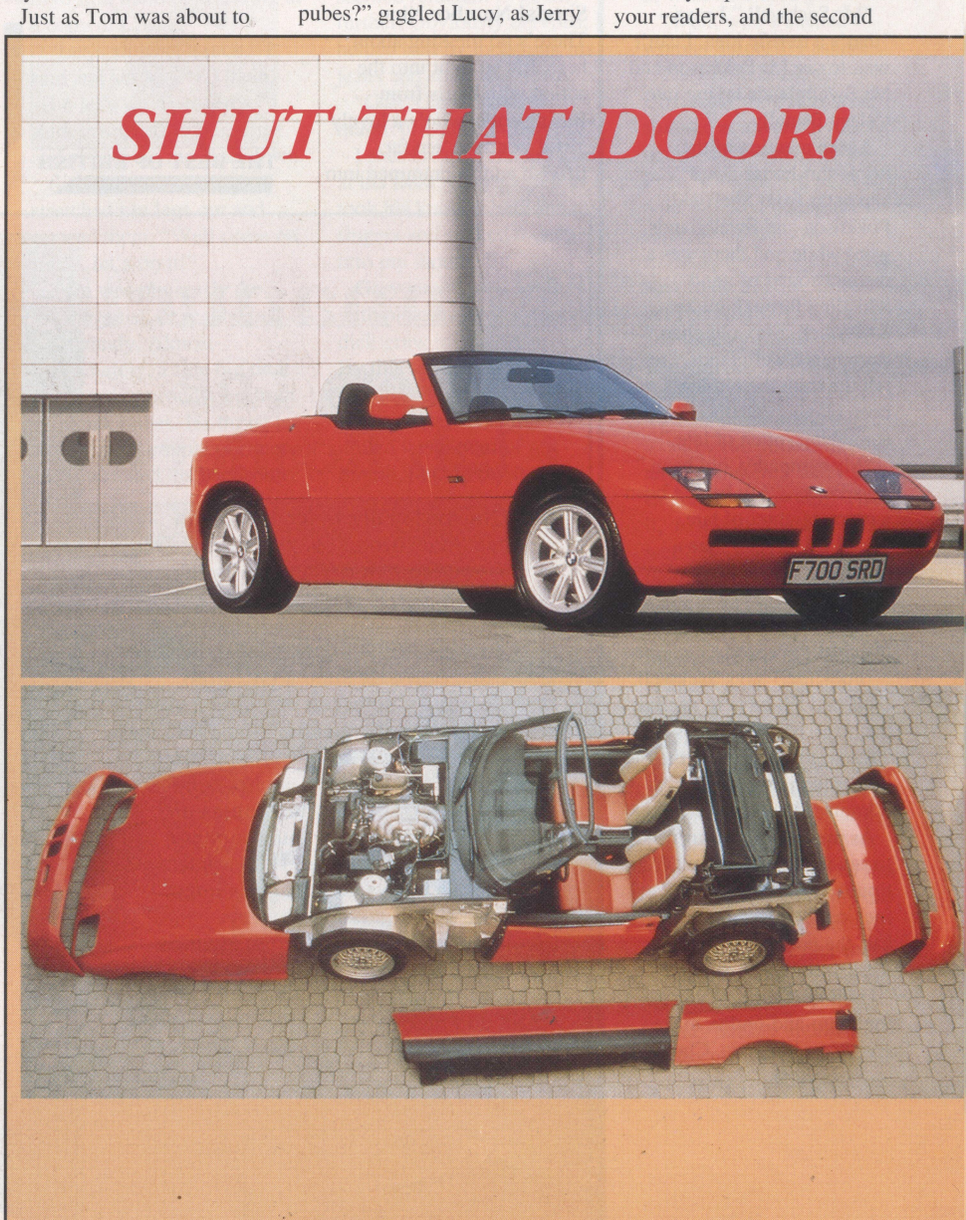
"It's Tom's treat," I said, opening my legs even further so that Tom could actually get two fingers into me. Then, as our friends watched open-mouthed, my husband proceeded to finger me off until I came all over his hand.

Tom opened my dress and began to kiss my bare boobs while he continued to frig me. Jerry and Lucy were getting down to their own stuff in the front now and as Tom kissed his way down to my bare pubic patch, I could hear them giggling and groping frantically.

That night, when we finally got home, Tom gave me the best fucking I've ever had. Believe me, deciding to shave my fanny has been the best decision I ever made. I can't imagine what took me so long! — *Katie, Middlesbrough*

Naughty Neighbour

I'm writing to Club for two reasons. The first one is to share my experience with all your readers, and the second



one is to find out if your reader's letters really get printed!

Last month my mother and father flew off for their annual two week holiday in Tenerife, and as per usual they asked our neighbours to keep an eye on me while they were away. I suppose this sort of thing's okay if you're 13 or 14, but I was 20 last birthday! I shouldn't really complain though as it gave me a chance to become acquainted with our new neighbours, David and Lesley.

They live right next door, and moved in about three weeks ago, and although I'd seen my parents chatting to them over the garden fence I knew little about them. But I must admit when I first set on eyes on Lesley, I almost came straight away. She is about 30 with long blonde hair, really nice tits and a slim figure — just my ideal older woman in fact!

Anyway the day after my parents had left I bumped into Lesley in the supermarket and we got chatting. She asked me how I was coping in the house by myself, if I was eating properly and that sort of thing, and then to my surprise, and delight, she asked me if I wanted to come round for dinner to her house that night. I assumed that would mean dinner with both her and her husband David, so I gratefully accepted.

I arrived at her house just after nine, and was greeted by a woman's voice shouting from inside the house, "Come on in, the door's open!"

I went in and was further instructed to take a seat in the lounge. I sat down in an armchair, and couldn't help noticing a small dining table near the back of the room with only two places set.

When Lesley entered the room I nearly shot my load there and then. She looked absolutely stunning in a short, black dress, with her long blonde hair tied up.

"If I'd known I would have dressed for dinner," I said, feeling quite scruffy, dressed in jeans and a tee-shirt.

"Oh, don't worry," she replied. "I like to dress up a

Forty grand for a motor with no doors? Only the Germans would try and get away with it, claims Horst Pipe

BMWs may be very sensible cars — but they're far from boring. Okay so the 24-valve M5 has a limiter to stop you going over 155 mph, but 154 mph isn't exactly dull. Their new Z1 isn't boring either but a 140 mph beach buggy costing £40,000 certainly doesn't sound too sensible to me — but who wants a sensible car anyway?

When they designed this car, BMW say that they threw away the rule book. Well, in the Z1 they've also done away with the back seats, the doors and the traditionally unexciting Germanic approach. The Z1 has no room for the family or a nodding dog on the rear shelf. There isn't even a rear shelf. What there is is BMW's 170 bhp 2.5 litre engine, two camouflaged leather bucket seats, four alloys with low profile tyres and a skin-tight plastic body on a solid chassis. It goes like shit off a shovel, and with a thief-proof dead expensive sound system as well, you can really piss people off as you're waiting to outburn them at the lights.

The absence of doors is not a gimmick, say the company. And perhaps they're right. Bamber Gascoigne (father of Paul) has no doors either, and he's not stupid. In fact, there are two doors, but they are hidden in the stills, and only appear when you hit the right button.

Driving at 140 mph in the open air with nothing on top or either side of you is guaranteed to take your breath away. Not that you'll be short of air — on board it's windier than a tasting session at a bean factory. Drop down doors also have another advantage. When a girl's skirt rides up on the Z1's seats, anyone taller than a dwarf who smokes too much gets a great view. Now that is sensible...♣

This is the first time that 19-year-old Jo has appeared in Club — but we've got a good feeling that it won't be the last!

"Like a lot of girls, I get very turned on by stripping off in front of people, so I've always wanted to do nude modelling. And what better way to start than by appearing in the horniest mag of them all — Club?" laughed Jo, tweaking her left nipple until it got

hard. "Ooh, now look what I've done! I'm always doing it — fiddling with my nipples, I mean. I just can't help it. As soon as my mind starts to wonder, so do my hands! But I suppose you can tell that just by looking at these pictures!" ♣

GRIPPING YARNS

Hot Wind Across The Yukon

You've got to be tough to be a Mountie — tough enough to ride for days without changing your underpants. ***Inspector Fuller Bosums*** *is such a man. This month he's on the trail of beastly cads doing ghastly things to the Governor's family and an innocent pink pig...*

The Pisspaw Indians who inhabit the barren wastes of the Klondike have a proverb: *"When a gale blows hot across the Yukon River, then the gooseberry bushes outside our wigwams shall bear no fruit."*

In the language of the savage redman this means: *"It's an ill wind that blows nobody any good."*

The truth of the old adage was to become clear to Inspector Fuller Bosums and the men of D Troop, North West Mounted Police one chill February morning in 1902...

(Though come to think of it, the proverb could mean: *"A heavy bout of flatulence is the most effective contraceptive on the market."* It's hard to tell really...)

AT CAMP NICINACINOOCI, THE KLONDIKE

The snow was falling heavily as Trooper Lance Boyles of D Troop, NorthWest Mounted Police steppeinto the officer's mess.

"Gosh darn it!" he cursed, wiping his boot on a tussock of lichen. "You'd think them there officers'd go back up in the woods like all us common folk do."

He strode across the parade ground and knocked on the door marked 'HQ'. From deep within the log cabin a gruff voice bade him enter.

A tall man, with a barrel chest and arms like tree trunks stood with his back to the fire, thoughtfully stroking his walrus-like moustache. Could this, thought Trooper Boyles, be the new commanding officer who had arrived from Winnipeg only minutes earlier? And why was he fondling that seal?

"Inspector Bosums?" he asked nervously.

"No," the mighty oak of a man replied, "But I got a good look at her bum when she bent over! Hawhawhaw!"

Yes, Boyles decided, this must be Inspector Fuller Bosums, the Mountie the redskins had named 'Jim-O-Tarbi' in honour of his sense of humour.

"You'll have to excuse me, Trooper," Inspector Bosums said as he wiped tears of laughter from his eyes, "There's nothing I like better than a bout of rib-tickling merriment."

There was a rustling in the corner of the room and a pile of what Boyles had previously imagined to be soiled underclothes got unsteadily to its feet. It was an Indian. Trooper Boyles reached for his revolver.

"Easy, Trooper," Inspector Bosums said, grasping Boyle's arm. "This here is Julian Two Prongs, lone pine chief of the Condom Indians; the finest tracker in the territory."

"How," said Trooper Boyles, raising his right palm to the redskin. "Heap big chief want um firewater?"

"Look here, old chap," said Two Prongs, "I'm a chief not a common warrior. Papa didn't send me to Etonbush Academy For Chaps in order that I should openly genuflect in the direction of racial and social stereotypes, okay?"

"He's had a skinful already, huh?" asked Boyles.

"I'm afraid so," replied Inspector Bosums.

AT THAT MOMENT, IN A NEARBY CABIN.

Four pug-ugly, low-down dirty varmints, the kind of wolverine mean critters who'd eat a raccoon's undies for breakfast and not even put sugar on 'em first, sat playing cards.

"How long've we been cooped up here, darn it?" barked Skunkbreath Leboef.

"Cut the tomfool chatter," snapped Jake Shitehawk, the half-breed sow snatcher, "an' jest deal the cards."

"It's gotta be six gosh dangflapitt months," spat Cockroach McGee. He dealt the cards. The four men seized them quickly, held them close to their chests and studied them.

"Has anyone got *Master Bates the Estate Agent?"* asked Dave 'Worn the same socks for 3 days' Anorak.

"Tarnation!" roared Skunkbreath, "that's the 6,275th time you've made that joke since we got here, an' I never started countin' till December!" He began to pace up and down feverishly. "Shoot! I'd rather be hog-tied to an accountant and force-fed tapioca by Bob Monkhouse than spend another minute in this Godforsaken cabin."

"Dang it, Skunkbreath's right," yelled Jake, "let's get outta here, go to yonder mountainside and see who can draw the best likeness of Judith Chalmers by wee-weeing in the snow!"

"Nope," growled McGee, "I say we ride over to Calgary, rent us a bath tub, fill it to the brim with jelly and custard, then dive in and slurp till our bellies bust!"

"Hang-fire," boomed Skunkbreath, "I gotta better idea. Let's saddle up the mules and go pay a visit on the Governor."

The others frowned. Then,

slowly, malicious grins began to spread across their faces. "Leboef," they cackled in unison, "you're lower than a rattlesnake's armpit."

Skunkbreath blushed. "Aw shucks fellas," he mumbled, "you know sometimes I'm so nasty, I even scare myself."

"Oughtn't we to ring for an appointment before we set off?" said Dave Anorak. "It's the only way to guarantee that our arrival won't cause anyone any inconvenience."

BACK AT FORT NICINACINOOCI.

In his log cabin Inspector Fuller Bosums sat back in his chair. A large potted fern was nestling on his lap. He patted it gently.

Suddenly the door flew open and Trooper Boyles burst into the room. He began to speak, then blushed.

"GGG... gosh Inspector, I'm sorry. I didn't realise you were alone with a potted plant. I'll come back later."

"Don't worry, Trooper," said Inspector Bosums as he set the fern down on the floor. "She's an old frond."

"Well, if you're sure it's OK," the Trooper said. Bosums nodded.

"News has just come over the telegraph that Alaska's notorious 'Hole-In-The-Head Gang' have just stormed into the Governor's house and are holding Sir William, Lady Fitzwilliam-Titely and their pet pig, Peggy, hostage."

There was a stirring noise in the corner of the room and Chief Two Prongs struggled to his feet. He was sober now. "Um old Indian proverb," he muttered. "Problems are like contraceptive sheaths: they always come in threes, and they can give you a rash if you're sensitive."

"I think I prefer you when you're drunk," said Inspector Bosums.

"Thanks," replied the redskin, "I really don't mind if I do."

"Right, Trooper," shouted Inspector Bosums decisively. "Call out the men, break out the sleds and mush up the huskies. And on the way to the Governor's we'll stop by and pick up Catastrophe Kate, the toughest woman in the Klondike. We might need her if things get out of hand."

MEANWHILE, AT THE GOVERNOR'S MANSION...

The Governor, Lady Fitzwilliam-Titely and their pet pig, Peggy, sat tied to their chairs.

"This really is most irregular," blustered Sir William. "I shall be reporting the matter to Her Majesty's Government."

"Cut the tomfool chatter, Governor," snarled Jake Shitehawk. "An' jest deal the cards."

Sir William dealt the cards and the men grabbed them in their horny hands and studied them intently.

"Has anyone got *Mrs Byemiles the Arsenal centreforward?"* asked Dave Anorak.

"Dang nabbit!" bellowed Skunkbreath. "This ain't no improvement." He pushed his chair back violently and kicked it across the room.

"My," trilled Lady Fitzwilliam-Titely, "you are a big, strong hunk. How did you get to be so masterful?"

Skunkbreath giggled bashfully, "Well shucks, lady," he mumbled, "when I was a bitty boy way up there in the backwoods, I never had no friends except for the wild critters. Every mornin' I'd get up, go out and wrestle me a bear, or a possum. Why, I figure by the time I was 14 I musta licked every darn beaver on the Yukon."

"Mmmm. You sound like my kind of guy," drooled her ladyship.

"And that there," said Skunkbreath pointing in the direction of Peggy the pet pig, "is my kinda hog."

MEANWHILE, BACK ON THE TRAIL...

D Troop of the North West Mounted Police, led by Inspector Fuller Bosums and Chief Julian Two Prongs the Indian scout, galloped across the tundra. After eight hours they finally arrived at a rough pile of logs.

"This here is Catastrophe Kate's house," roared Inspector Bosums. As if to confirm what he had just said, a woman promptly emerged from the wood pile. She was short, dark and stockily built, not unlike a garden shed, in fact. She began to speak in a husky voice, "Ruffruffruff," she went. Then, "Well lookee here, if it ain't Inspector Flower Blossoms. Howdee, Inspector?"

"Actually, it's Fuller Bosums," snapped the Inspector.

"I don't care what it's full of," said Kate. "An who in tarnation is this redskin?"

"This is Two Prongs. He's a Condom Indian."

"No he ain't," snapped the raddled old-timer, "a Condom Indian is a jointly owned development comprising two or more self-contained apartment houses."

Inspector Bosums shook his head. "No, that's a condominium. Look Kate, we need your help. The 'Hole-In-The-Head Gang' have imprisoned Sir William and Lady Fitzwilliam-Titley at the Governor's mansion."

"And the porker's hostage too," added Trooper Boyles. Kate scratched her chin. "Why would anyone want to imprison a cylindrical membrane stuffed with pig-product?"

"Not a pork sausage," chorused the Mounties. "A porker's hostage. For fuck's sake. We don't have to do this you know. We could be doing commercials for Latwatts lager." And with that they all rode off to phone their agents. "Wait for me lads," called out Chief Two Prongs, and he chased quickly after them.

"Somehow," said Inspector Bosums, "I always knew that Condom would split in the end. Hawhawhaw!"

"You gotta sense of humour that's about as welcome as a blow-job from an alligator," said Catastrophe Kate.

"One thing I've always meant to ask you Catastrophe," said Inspector Bosums when he had finished guffawing. "How did you get your name?"

At that moment a bison who had climbed up a nearby tree in search of nuts, fell out and landed on her head. "You got any other dang fool questions, Inspector?" said a voice from under the 800 pound buffalo.

"And I thought spiders were the only creatures that lived under bisons," said Inspector Bosums, "Hawhawhaw!"

And Skunkface and Peggy the Pig lived happily ever after.♣

WOMEN'S WRITES

Where the girls get down to business

CASTING COUCH

I've just been introduced to your mag by two younger guys with whom I've had a fabulous time in the last few days. I thought your readers, both male and female, might like to hear my horny story.

My name is Debbie and I'm 35 years old. In my spare time I'm involved with a local amateur dramatics group. Currently we're putting together a production which needs two young guys, about 20 years old.

Nobody in the group was young enough to play the parts so we decided to place an ad in a local newspaper.

Two of the guys who answered the ad seemed promising so I rang them up and arranged for them to come and audition that night.

I felt an incredible air of expectancy as I drove into town to pick the guys up and was excited at the prospect of meeting them, I even went as far as dressing sexily. And why not? If I was going to meet two young fellas I might as well make a good impression. I wore a tight white tee-shirt with no bra on so that my nipples were very visible under the thin material, and a short black skirt. And just to add a bit of spice, I wore no knickers! The guys I met, Gary and Tom, were both 20 years old and were damn good looking to say the least. Gary was tall, muscular with blond hair, while Tom was a bit shorter and dark haired.

I opened up the car door to let them both in, and at the same time I let my skirt ride up my thighs, and adjusted my seat belt so that my tits were pressed hard against my tee-shirt. The two fellas just looked at me and blushed.

After the introductions were out of the way, we made our way to rehearsals.

I knew there was one scene when Gary and Tom had to sit at my feet and look up at me. Shortly before we rehearsed it, I rushed to the dressing room and, making sure I was alone, frigged myself until my tender cunt lips swelled out from my slit. Then I sat, my shaven fanny at their eye level, and slowly parted my thighs.

At the end of rehearsals I said I'd lock up and give Gary and Tom a lift home. Locking up done, I could hear Gary and Tom's voices from the changing room.

"It's like hers, only shaven."

"No, Deborah's was all fleshy and wide open."

"Her nipples don't half stick out, don't they?"

Just at that moment I burst in to find them both staring at a copy of Club!

"Let's all have a look," I said as I sat between them. "But let's do it properly," I said, lifting off my tee-shirt and skimming my skirt down.

Sitting back, I slowly stretched my legs out and opened them, "Well come on fellas, let's do it!"

Tom was obviously the exhibitionist, or maybe just plain randy. Almost immediately, a fine big dick was waving proudly up from his black pubes. He thrust his hips at me a couple of times, and I watched his handsome, well-rounded balls swing loosely beneath his dick.

By this time Gary had stripped off to his waist, but seemed reluctant to go any further. Obviously nervous, I helped him by loosening his jeans and slid them down!

"God, Gary! You're massive! Quick, stiffen up!"

I shot off my seat and knelt at his front. Gary gasped as I took his knob in between my fingers and sucked it deep into my mouth.

Gary was almost sobbing with pleasure as his smooth dick grew inside my mouth. By this time I was deep throating him, and as I felt his cock start to twitch, I pulled it right out of my mouth, licking my lips and leaving eight inches of raw cock rampant and stiff.

Aching to come, I sat back on a chair and spread my legs as wide as they'd go.

"Well, who's sucked a woman before?" I asked.

They both blushed. Obviously they were a bit stunned at a woman like me being so forward with them. Poor fellas, they'd probably only fumbled with girls their own age up till now.

"Okay then. I'll teach you how to do it. Now, kneel between my thighs, Gary, and look closely at my cunt. Can you see all those pink fleshy folds?" Gary nodded, his face bright red.

"Now rub your fingers up and down here," and I slid a finger along my slit. "That's it, do it until I'm nice and wet." Both his hands worked their way up and down my aching slit lips.

"Now put your fingers between my fleshy bits and find my hole." He gently prodded me until his finger slid right into my juicy cunt.

"Aaah, that's it, now Gary fuck into me with your finger. Keep going and find my clitty," I sighed.

I took his other hand, slid back the hood from my clit and led his fingers onto it. "Now, stick out your tongue — put it on my clit and lick. Yes, lick me!"

Gary sucked and licked like a man possessed. Still quivering from being sucked

out by him, I slid slowly down onto my back on the floor, and looked up at Tom who had his cock out and was furiously wanking.

Closing my legs, I called Tom over and got him to kneel down next to me. I kissed him while my hands ran over his balls and along the length of his shaft.

"Sit astride my chest, Tom! Just below my tits. Gary, you come and rub my tits so they get big and hard!"

As soon as the brown teats had stiffened fully, I told Gary to sit down and pulled Tom over to me.

"Tom, put your dick up between my tits, have you ever been tit-fucked before?" But before he could answer, my hands had pressed the solid flesh of my breasts around Tom's dick and he was pumping up between my boobs. In seconds he had sprayed white jism all up my throat. And he was still ramrod stiff!

Sitting back down, I looked at the spunk gleaming in my cleavage. I got the boys and sat them on either side of me saying, "Now boys, we're all going to wank off. Just do exactly what I say!

"Open your legs so I can get to your balls. Yours are so soft and full of spunk, Gary! And yours are big and hard Tom."

I carried on talking dirty to them as I asked them both to toss into my cunt. Both lads started fiddling around the soft, shaven flesh at the outside of my cunt lips. Their heads were close, eyes on my pussy lips swelling under their probing fingers .

My cunt gripped their churning fingers as I wanked their throbbing dicks faster and faster until great blobs of spunk spurted from them, covering my hands and wrists in hot, sticky spunk.

Both Gary and Tom managed to keep their fingers thrust deep up my tightening twat as I stood up and then perched myself with my chin resting on the back of the seat, bum high and legs spread. I was in full command now, and I had Tom position himself in front of my face.

He was so young and full of energy that his circumcised dick was stiff again and just at the level of my mouth. Balancing neatly, I sucked Tom's lovely rod until it was all deep in my mouth, saliva covered, tongued up and throbbing faster and faster.

By this time Gary's knob was up again and I could feel his fingers peel apart my fleshy cunt petals. He probed at my hole, slowly opening it with his fingers then prodding the end of his massive dick against it. As he pushed, he kept forcing me wider and wider. Juices seeped down my thighs as inch after inch rammed into my wet twat.

Gary was filling every part of my pussy — pumping in and out of me until I clamped his dick in my cunt muscles and drained him of spunk.

I took Tom's prick from my mouth and let Gary come out from my cunt.

"Why don't I fuck you, and you suck Gary now?" said Tom.

So I lay flat on my back, tits proud and hard, and hauled my knees up to my chest. Gary knelt over my face and I just took one huge breath before gagging down his monster dick. Then Tom just slid effortlessly right into the depths of my pussy. Each thrust sent a little climax through me until, as Gary spilled his spunk deep into my throat, I just had to make Tom come. I opened as wide as I could and shoved two fingers into my twat, one each side of Tom's dick, so I could wank him up while he was inside me. Just the sight of his dick and my two fingers flashing in and out of my shaven fanny brought Tom to a shouting, gushing orgasm.

Since then, the three of us have fucked senseless after each rehearsal. So I'm getting the juiciest screwed fanny I've had in years.

Now the boys ask me to pose from their favourite Club sets and it gets even more of their spunk shooting. I love it! — *Debbie, Derbyshire*

LESBE FRIENDS

I've been reading Club for about three years now, after I was introduced to it by a lesbian girlfriend of mine. I've never had an excuse to write in as yet, but all this changed last week all because of my new neighbours.

Mark and Janie moved in next door about a month ago. They seemed a nice couple, Janie was about my age, 25 years old with long blonde hair and a petite figure. Mark was about 35.

You can imagine my surprise then when one night last week there was a knock at the door and I opened it to find Janie obviously upset.

I asked her in and we sat chatting over a cup of coffee.

Janie wasn't a happy woman. Apparently Mark had been having an affair with a woman that he worked with, and he was going to move in with her. The more Janie told me about it the more upset she seemed to get. I didn't really know what to do. Here was my new neighbour that I hardly even knew, crying her eyes out and telling me all her problems. I tried to comfort her but it didn't seem to do much good.

Finally I told Janie that she could come round and stay at my flat for a while, she was more than welcome.

She seemed very keen to take me up on my offer and came round with a couple of small bags that very night.

My flat only has one bedroom and I felt a bit rotten offering her the sofa while I had a big double bed to myself, so I told her that she could double up with me. I didn't mind sharing my bed with another woman at all.

That night Janie insisted on taking me out for a meal as a way of thanking me for letting her stay. There was a small Italian restaurant in town that I liked so I suggested we could go there. I hadn't been out for a meal for a while, so I got really dressed up for the occasion.

I got out a bright red cocktail dress that had been hanging in my wardrobe for years, and slipped it on. I was amazed I could still fit into it! Then I put on my black high heels and did myself up with some sexy make up — I don't go out that often so when I do I like to make the effort to look special.

Janie was visibly taken aback when she saw me, "You look beautiful," she commented eyeing me up and down. She didn't look too bad herself in a figure-hugging black dress, with her long blonde hair tied up!

We made our way to the restaurant, but by this time I was more interested in Janie than any of the food. We chatted about all sorts of things as the alcohol loosened our tongues. I told Janie that I had lived with a woman a few years before, and indeed still found myself attracted to women. I thought she might have been a bit shocked at this, what with us sharing a bed that night, but she seemed to be completely fascinated.

She wanted to know what it was like making love with a woman, and feeling a woman's touch. I was quite taken aback at this but I answered all her questions. The more I told her, the more

intrigued she became! I put this down to the fact that at the moment she was a bit disillusioned with men. But when Janie started fondling my leg under the table I was convinced otherwise!

The time came when we had to set off back to my flat. As we walked back it became increasingly obvious that Janie shared similar feelings to me and we ended up walking back hand in hand.

By the time we got home I knew that things were definitely going to happen.

As soon as we got in the front door Janie pulled me close to her and kissed me full and hard on the lips, at the same time pulling at my dress. This was all the encouragement I needed, and taking Janie by the hand I led her through to the bedroom.

"Just lie back and relax," I told Janie as I manoeuvred her onto the bed.

Janie lay back and looked up at me smiling. Without hesitating I ran my hands along her sides, caressing her slim hips.

"Fuck me, I want to be fucked by a woman," Janie cried out. I didn't need to be told twice!

I pulled Janie close to me and kissed her hard on the lips, at the same time kissing and licking her neck.

My hand had found its way down to her pussy and I could feel Janie was hot and wet between her legs.

Gradually I worked my hand into the gusset of her panties until my fingers were sliding up and down her sopping slit, as I worked first one, then two fingers deeper into her tight snatch. Working up a rhythm I pushed my fingers deep inside her. I could sense that Janie was close to her very first lesbian orgasm.

By this time Janie was frantically pulling at my dress, trying to undo the zip at the back, so I lay flat on my stomach on the bed and let her undress me. She tore my dress off down around my ankles and started to kiss her way down my back.

"It's your turn now," she whispered, and her hands found their way down to my tingling cunt.

I desperately wanted to get my mouth on Janie's sweet little pussy now.

"Take your clothes off," I whispered to Janie and she stood up and and treated me to my own private strip-tease.

First of all she took the clasps out of her hair and let her long golden locks fall around her shoulders. Then she ran her hands along the sides of her hips and started to ease her tight black dress off. This was all too much for me and my fingers had soon found their way into my cunt as I frigged myself raw.

"Don't do that," Janie whispered, "that would be a terrible waste!"

It took all my will-power not to, but I lay back and carried on watching Janie. By now she was standing there almost naked except for a small black G-string and a skimpy black bra.

"Are you ready?" I asked, and Janie smiled and nodded.

I rolled off the bed and onto my knees in front of Janie and, pulling her G-string to one side, started to push my tongue deep into her oozing cunt. I started to lick at her cunt lips, probing through her sparse blonde muff until I came to her juicy little clitty. I darted my tongue up against her sweet bud, each time bringing moans of ecstasy from Janie, until finally she could take no more and dropped to her knees and we kissed each other.

I licked my way down her neck until I came to her breasts and proceeded to suck and bite at her firm nipples. Janie's face was a picture of abandon as her head swung round from side to side, her long blonde hair sticking to her sweaty face.

"Lie on your back," I told her, and she was only too pleased to do as I asked. As she lay back I positioned my fanny over her face and started to grind my cunt into her mouth. At the same time I kissed my way down her flat stomach and, parting her cunt lips, I started to lick her out.

This was the first time that Janie had 69'ed with anyone, never mind another woman, and she didn't seem sure what to do.

"Just copy me," I told her, and Janie started to mirror my actions as I set to work on her delicious pussy.

Holding onto her bum cheeks I pushed my tongue as far into her fanny as it would go, while Janie did the same to my cunt — she was obviously learning very fast!

Slowing down the pace and then speeding it up again, with Janie copying my actions all the time, I made sure that I got the best 69 session that I'd ever had.

And Janie certainly seemed to agree! In fact our living arrangements turned out to be more than temporary, as it looks like Janie is going to be staying here permanently. And I've certainly got no complaints, my pussy's been getting such a pounding in the last week that I hope she will stay here forever! — *Helen, Derby*

HOLIDAY BLUES

Horny Holiday

I'd like to tell you about something that happened when I went on holiday last summer. The events that I'm going to tell you about are so important to me that I find it hard to write or talk about it; but I have to tell someone, so I thought that the best way to get this off my chest would be to write into Club.

I've not told anyone at home about this, not even my closest friends, for reasons which will become clear to you, but I know that as well as relieving my mind, this story will be a great turn-on for all your readers. I'm even trembling now as I think about writing it all down.

It all started back in June, when I split up with the boyfriend I'd been going out with for three years. We'd been planning to get married, and had even been out looking at houses, when I discovered that he'd been two-timing me with his boss from work, the only female partner in the business. It turned out that he'd been having an affair with her for years, waiting until she would leave her husband, marry him and get him a partnership at her firm. When I found out, I was livid, and very hurt. All along he'd just been using me to cover up his affair so that no-one at work suspected a thing, and also because I looked decorative at company functions, with my long blonde hair and neat trim figure.

I made a clean break from him, but not before tearing up all the clothes he'd left at my flat and dumping them in the reception area of his work so that everyone knew just what had happened. Of course, it made me feel better at the time, but it didn't make me feel much better when I realised that I was still on my own and I'd still been two-timed by him all along.

I was so down and depressed a couple of weeks later, that my boss suggested I should take a holiday — he even went so far as to get me a load of brochures and pointed out the best last-minute bargains. In the end I took his advice, and got a cancellation booking for two weeks in Greece. I couldn't help wondering as the plane took off whether the previous bookers had cancelled because they'd also split up.

For the first week I kept very much to myself at the small family hotel I was staying at; I just couldn't be bothered to make smalltalk with all the other guests. I guess I just wanted to stew in my own juices.

But during the first weekend I was there I got talking to the daughter of the owners of the hotel, a girl of about my own age who worked behind the bar in the hotel during the evenings.

All the male customers in the bar used to eye her up an awful lot, because she was an exotic looking brunette, with very long legs, long, dark hair and a deep tan, which she showed off at every

possible opportunity to any male within gazing distance. I often wondered why she did it, because it made her strict father very cross and they often had public rows about her skirts being too short or her dresses too tight.

To be honest, I think she was glad of a girl of her own age to talk to, because she started serving me free drinks one night when I was in the bar feeling depressed, and we ended up talking until well after closing time. She was very eager to know all about life — and especially sex — in Britain, and as I was fairly drunk it wasn't too long before we got on to the subject of my ex-lover.

I must have told her a lot about our sex life, because the next morning I saw her in the lobby and she grinned at me and made some reference to something I'd told her. Despite my crushing hangover I managed to smile back, and it was then that she invited me to go down to the beach with her that afternoon.

And before I knew it, I'd accepted.

Eleni's English was pretty good, so we chatted away about everything under the sun that afternoon, as we lay in the baking heat soaking up the rays. Eleni's body was superb; tanned legs, a tiny waist and lovely, firm tits. She confessed to me that she'd always wanted to be blonde, and the way she looked at my nearly naked body, glistening with suntan oil, sent little shivers down my spine. I ignored them, and told myself it was just her bold Continental way.

She'd brought along a picnic and a chilled bottle of wine so we started drinking again, and the only explanation I have for what happened is that the alcohol went straight to my head.

As we drank and talked, Eleni watched me closely, her eyes noticing the way my smooth skin was slowly tanning, and then moving lower, down over my flat stomach to where my pubic triangle was just about covered by the bottom of my bikini. I had my eyes closed, lying back and enjoying the sun, but even then I could feel her eagerly looking over my trim body.

I didn't hear her move but the next minute she was on top of me, her heated body pressed close to mine, her legs tangling with my own, her tongue licking all around my mouth before pushing between my teeth and French kissing me.

In shock I opened my eyes then, seeing Eleni's face right above me, her eyes closed, an expression of ecstasy crinkling the corners of her eyes as she kissed me hard. I couldn't believe that here I was, on a beach thousands of miles from home, being soundly kissed by a gorgeous Greek girl whom any of my male friends would give their eye teeth for. But I was sure I was damn well going to enjoy it!

As I was going over these thoughts I felt Eleni move between my legs, nudging them apart with her knees, her boobs dangling and brushing my stomach. The material of her bikini was soft compared to the hard, poking nipples underneath, and when it brushed against my pussy through my bikini bottoms, I shivered with pleasure. My clit felt so hard and throbbing, I knew my first orgasm wasn't far off.

"Open your thighs," Eleni whispered to me, her hands running down between them, rubbing my rapidly wettening slit with her fingers. "I'm going to take off your knickers."

Without a word I arched my hips off the ground and spread my thighs so that Eleni could get right between them. My eyes still closed, I felt her slide down my bikini bottoms, running her hands sensuously down the inside of my legs, as she pulled the panties down and off over my ankles. Then her hands moved up again, caressing behind my knees, tickling the soft skin just inside my thighs, sending little shivers of anticipation up to my cunt. I was so wet I could have taken anything, let alone the slim fingers which I knew I was going to get any minute.

They settled on my slit, lightly rubbing, then pulling my love lips apart so that she could rub the inside of my pussy walls. I could feel myself lube up straight away as Eleni's fingers probed deep inside me. All I could concentrate on was the wetness between my legs and the spirals of total pleasure that were washing right through my body.

"I want to lick your cunt," Eleni whispered. I looked up at her, kneeling upright between my spread legs, her fingers working in and around my thighs, my pussy wide open and gaping. I sat up and pushed her head down to my cunt, half lying and half sitting as she pushed her tongue inside me for the very first time.

It felt incredible! She licked me all over, teasing my clitty with the tip of her tongue as I sat back, holding the back of her head firmly to make sure that she stayed down there. She ran her fingers through my blonde pubes, nibbling my mound before pushing her tongue back inside me again, this time right inside.

My cunt spasmed then and I had my first climax for what seemed like an eternity. My pussy walls tightened around Eleni's tongue and she gripped my buttocks as she thrust into me harder, her nose buried in my pubes as her tongue lashed me.

I came several more times then, the orgasms leaving me weak and trembling. My arms flopped to my sides and I lay back, exhausted.

Because we were on a public beach, I was half afraid that someone might come along and find us, although no-one seemed to be about, so looking around before moving, I stood up and was about to pull my bikini bottoms on when Eleni stopped me.

"That's not cricket, as you English would say," she smiled boldly. "I think one good turn deserves another."

Before I could say anything she pulled me back onto the sand so that I was flat on my back, stripped off her own bikini, and settled her cunt over my mouth.

The shock of having another girl's cunt so unceremoniously plonked onto my face paralysed me for a moment. I just couldn't believe she'd done it, right there in public, in broad daylight where anyone might have seen us.

Eleni sensed my confusion and started wriggling over my face, wanting her clitty to rub against my lips, dying to feel my tongue inside her. The smell and taste of her sweet, clean female juices suddenly inflamed me. I grasped her firmly by the hips and pulled her cunt over my mouth as hard as I could.

Eleni gasped out loud as she felt my long pointed tongue stretching right up inside her as far as I could reach. Opening my eyes, I looked up to see the expression on her face, pure lust oozed from every pore, her hands pulling and tweaking her full boobs as she bounced up and down on top of my face. She shifted slightly, moving her legs even further apart, so that I could rub my nose onto her clitty at the same time as I probed her with my tongue and made sucking and licking movements with my lips on her love petals.

I was surprised then, when Eleni started talking dirty to me — especially as all the dirty, lusty words were in English!

"You're so fucking good, Melissa," she gasped. "You're such a fucking horny bitch it's driving me crazy. God, I love the way you're licking my cunt. Do you know how wet and horny you've made me? I'm such a dirty girl for behaving like this but I don't care!"

I certainly had a good idea how wet and horny I'd made her because by now her juices were dripping into my mouth and my face was coated with them. I knew she wasn't far off coming, as she was gripping my head now, making sure that she didn't miss even one tongue stroke. Grabbing one of her wrists, I pulled it towards her pussy and rubbed her index finger over her slit along with my nose, so that she was masturbating herself as well as being licked out by me. That sent her right over the edge; her pussy walls contracted tightly around my tongue and she let loose a mighty climax.

"I'm coming over your face, Melissa!" she panted, trying in vain to catch her breath as several orgasms hit her with full force. I'd never thought that anyone could come so hard just from having their cunt licked. She was frantically pummelling her boobs now, her head rocking back and forth in a frenzy. I'd never seen anyone let go so completely.

On the way back to the hotel we had a very frank discussion. Eleni told me that I was far from being the first girl she'd fucked (I'd guessed that anyway — she couldn't have taught herself that cunt-licking expertise from a book), but she also enjoyed fucking with men.

"There's nothing that can beat having a big, hard cock up you," was how she put it. And having gone without for so long since I'd split up from my boyfriend, I had to agree with her.

It seemed like years since I'd been well and truly fucked, I told her. By this time Eleni was smiling to herself secretively, but she didn't give anything away to me before we got back to the hotel. She had to work behind the bar almost straight away, but before she left me, she told me that she'd meet me back in my room after she finished working.

"I've thought of a horny surprise for you," she said. But she left me guessing for the rest of the evening just what it might be.

By midnight, I'd been sitting in my room for over an hour waiting for Eleni to come back, alternating between rolling around restlessly on my bed and frigging myself until my cunt was aching. I couldn't think how I could feel so frustrated when I'd had such a good seeing-to only a couple of hours earlier, but the only thing I could think about was sex.

Then there was a discreet knock on the door. I opened it right away, just thinking that it would be Eleni, but instead there was what I could only describe as a Greek god standing outside the door.

He grinned at me, and my heart leapt to my cunt.

He was *gorgeous*. Six feet tall, tanned, with a smile that could only have come from a toothpaste ad. He leaned against the door casually, hooking his thumbs into his pockets which made his crotch stick out towards me. He had what I could only describe as a very promising bulge in the front of his jeans.

"I'm Alex," he smiled at me, moving forward and coming through the door. "I know your parents probably told you to beware of strange men, but I can assure you I'm not strange. I'm Eleni's cousin."

I stood there in open-mouthed amazement; he did look a little like Eleni, but I'd never have guessed that she had this sort of skeleton in her family cupboard!

"The thing is," he smiled at me, "Eleni told me that you were, how shall I put it, in need of a man. And she sent me along as the man who would fit the bill."

She was certainly right there. He was better looking than any man I'd ever dreamed of bedding before.

He lounged back on the bed, unbuttoning his shirt casually and taking it off. "Why don't you get undressed too?" he drawled.

In a dream I stripped off my clothes, right down to the skimpy lace undies I was wearing, and he closely studied my body, noting the blonde bush between my legs and the way my bikini line showed off my mound.

I could tell he liked what he saw, the way he hastened to pull off his jeans and stood there in front of me, naked and magnificent, his cock every bit as long as the bulge in his jeans had promised.

Right at that moment, there was a bang on the door. I'd forgotten that Eleni was due to arrive after her shift!

Without waiting for me to open the door she strode in, dressed in a very skimpy black hot pants outfit which I knew for sure her parents hadn't seen. Her father would have had a heart attack!

"I see Alex has already made himself right at home," she smiled, unzipping her outfit right down to the crotch. "Has he told you of his little kink yet?"

"No," I replied, puzzled.

"The thing is," she said, flopping down totally naked into the chair next to the bed, "that Alex is known as something of a stud with the local girls, but I know better than anybody that he just can't make love unless there's someone watching. And so today, that someone is going to be me."

"I hope you don't mind," Alex smiled, lying back on the bed, his hard-on sticking out like a big purple flag-pole. The idea of Eleni watching the two of us in bed had certainly got him pretty worked up.

"Go on," Eleni urged,

settling back in the chair and opening her legs so that she could play with herself as she watched her cousin fuck me. There wasn't time to feel embarrassed at the thought of being watched, I just had to get that cock inside me.

I straddled Alex on the bed, and he reached up and opened my love lips so that I could take as much of that big, thick cock as possible. Then, in one movement, I sat down and felt his hard, stiff meat filling me.

He didn't make any of the running, just raised his eyebrows to me and left me to do the work. I was so eager for cock by then that I didn't even think twice about it. Throwing my head back, I arched my hips and rode him for all I was worth.

I rose up high, almost taking him out of my cunt, then slid right down, hugging him tightly with my pussy muscles until he was right inside me. I'd taken that huge cock all the way. I never thought I had it in me!

Now that he was full up, and little mini orgasms were rushing through me, making me have to breathe deeply, I twisted round without taking Alex's cock out of me, so that I was still on top, but it was as if he was taking me from behind. That's the best way for me, and with the force that was hitting my clit every time it hit Alex's balls, it felt out of this world.

Eleni was gasping now too, writhing in the chair with her fingers buried deep into her pussy as she wanked herself off. She almost didn't know that we were there, she was so lost in her own pleasure, but Alex certainly hadn't forgotten her presence.

He started fucking me in earnest now, lifting up his hips with such powerful thrusts that I must have been six inches off the bed. His cock was so deep in me I thought it was going to come out of my throat, and I couldn't believe the thorough fucking I was getting.

Just then, Eleni yelled that she was coming, and I saw her fingers coated with her juices as she rotated them inside her one more time. That set me off, and I seemed to be flying around the room as orgasm after orgasm shot right through me.

Alex was now thrusting hard and moaning underneath me, gripping my buttocks as he ran a finger down my arse crack to my pussy slit, then pushed it inside me next to his cock. He cracked then, arched his hips in one final, almighty thrust, and shot his load deep inside me.

When I finally pulled his cock out of me, his spunk dripped down my thighs, and Eleni immediately rushed over to lick it all up, still frigging herself in the process.

The two cousins certainly made it a holiday to remember for me, and I returned home refreshed and eager to get on with life without my fiance. He even tried to get back with me on the sly, but I told him that I'd discovered that he wasn't a very good fuck anyway, and he left with his tail well and truly between his legs.

As for Eleni and Alex, they still write to me, filthy letters full of sex which never fail to have me fingering myself.

Eleni is now saving up to come over for a visit soon, so I will have to find some willing participants for another horny threesome — though in stuffy suburban Surrey I'm not too hopeful!

COUPLES CONFESS

Share and share alike! That's the idea of a good group sex. And here in Couples Confess is where you share your dirtiest real life experiences with us

I've been having a lesbian affair with my nextdoor neighbour for the past four years now. I don't know what prompted it, because I wasn't unhappy or dissatisfied with my marriage, and I'd never really had any inclinations towards women before.

The whole thing just happened. One week my husband was away for a training course at work, and Judy came round for a coffee. We became friends, and I'd known her for a few months, since we'd moved in, when things became heated between the two of us.

The day our affair started I was in the garden hanging out the washing, and Judy was sunbathing next door. She invited me around for a glass of wine when I'd finished the housework, and we sat on the patio drinking and laughing for the rest of the afternoon. I'd never really thought about the fact that Judy wasn't married and lived alone, but as one glass of wine turned to a couple of bottles, all our secrets started coming out. I told Judy about the problem my husband sometimes has with premature ejaculation, how sometimes he didn't wait for me to get aroused before he thrust his cock into me and came inside me, how sometimes afterwards I'd lie there and frig myself, always coming quickly at the touch of my own knowing fingers.

They were the sort of things that I'd never told anyone before, perhaps because I'd always relied on my husband for friendship and confidences rather than just sex, but even to him I couldn't say anything about my really deep, inner frustrations. Judy was the first person that I'd ever told.

When I realized what I'd done, I sat there blushing, not looking at Judy, wondering just what she'd say. At first, she didn't say anything, but I could feel her looking at me, sizing me up as if wondering whether she could trust me or not. I finally thought that she'd made up her mind, and that she wouldn't say anything, but then the words came spilling out.

"I'm gay," she told me, quite matter-of-factly as if it were the most obvious thing that I expected to hear. "I'm a dyke. I go to bed with other women."

I was speechless. I didn't know what to say or think; the first thing that came into my head was that I'd never met a lesbian before and that Judy didn't really look like my idea of one. With her tall, willowy figure, and long, curly red hair, she was the sort of woman who attracted glances from men every time she stepped out of her door.

"Why?" I blurted out. "You could get any bloke that you wanted."

"I don't really want them," she replied. "There's nothing that can replace the feeling of a woman's tongue deep inside your cunt."

I'd never heard anyone talk like that, except in a girlie magazine, and to my surprise, and horror, it turned me on no end. My cunt felt hot, my clitty was aching, and I had the sudden and uncontrollable urge to frig myself to a climax.

I know I didn't speak, but Judy must have read my mind, because the next minute she was on the lounger next to me, her arm around my shoulders, one hand reaching round to cup my boob under my T-shirt. I blushed bright red as my nipples responded to Judy's touch, hardening to peaks, almost asking her to touch and suck them.

We kissed then for the first time, our tongues really tangling juicily, Judy's lips pressing right into mine, and we couldn't get close enough to each other.

As we surfaced, Judy whispered, "Let's go inside," and she led me into her bedroom. Undressing, she showed me her magnificent body, with the large, firm boobs which I'd always envied, her long legs golden brown and tanned, and her pussy trimmed to a neat red triangle between her legs.

As she watched me undress I knew how wet she was, how her legs were trembling and her clitty boiling with desire. I knew because I was feeling the same way myself.

So that afternoon the two of us went to bed for the very first time, Judy lying on top of me kissing me hard and pushing her hand between my legs. I was so wet down there that her fingers slid around my slit, and when she touched my clitty I was so turned on that I climaxed right away, the waves of ecstasy sweeping over me being so strong that I thought I was going to pass out.

I'd never felt anything like it. Judy's hands on my boobs, my pussy, my clit, along my crack, anywhere and everywhere. She just had me steaming with lust.

I couldn't ever remember feeling like this with anyone before. That afternoon was one of the most erotic experiences of my life, and I doubt I'll ever feel like that again with anyone.

Although the relationship carried on after that — in fact, as I write this Judy is standing right here, reading every word, and getting just as aroused as I am remembering what happened

DENMARK DIAL, P.O.BOX 272, LONDON SW11. CALLS 33p PER MIN.CHEAP RATE, 44p ALL OTHER TIMES. 20099/4/A

four years ago, the odd thing was that it made me more forceful in bed with my husband, and soon I became brave enough to tell him exactly what I wanted and how I wanted him to do it. It improved our marriage no end, but to this day he still doesn't know about Judy.

However, I thought your readers might like to know what happened a couple of months ago. It almost spoiled our affair at first, but now it's just made things even more exciting.

Although Judy now lives at the opposite end of town to me, where she moved a couple of years ago, we still meet regularly, and neither of us could give up our bedroom sessions together. No-one knows how to fuck me quite like Judy, so when I came around one afternoon and found her in bed with another woman, I almost broke off the relationship.

I'd called around to see her after a shopping trip in town, having bought a load of the clinging lacy outfits that I know she loves to see me in. I was dying to strip off for her and model them, watching her get aroused to the point where she couldn't hold herself back and had to masturbate in front of me, her fingers digging deep into her cunt, while her thumb frigged her clitty, her knees bent so that she didn't overbalance as she came, love juices coating her inner thighs.

But when I knocked on the door and got no reply, I let myself in with the key that I knew she always kept hidden under the mat.

At first I thought no-one was in, as there was no sign of her downstairs, but then I heard noises upstairs and assumed she was up there by herself.

She wasn't. When I was half way up the stairs I heard voices, one unmistakably Judy's, the other one I didn't know. But it didn't take much guessing to know what they were doing.

"Fuck me," Judy was groaning, her voice broken and panting as she was clearly close to coming. "Push it in harder, right up my cunt. Harder!"

I was dumbstruck; surely she couldn't be fucking a bloke, as she had no interest in them. They turned her off.

Creeping up the stairs further, I peeped around the banister into Judy's open bedroom door.

Judy was kneeling forward on the bed, her face almost buried in her pillow, her legs spread wide and her bum pushed high in the air, while all I could see from the back was another woman, a well built brunette, pumping one of Judy's favourite dildos in and out of her.

Like a fool, I just stood there watching, almost unable to move, stock still, as Judy loudly yelled out instructions to her lover.

"Right up. Christ, that's it, that's so good," she groaned, the juices seeping from her cunt and running down her legs. The other woman didn't speak but just breathed heavily, her arm pumping the thick dildo right into Judy's gaping cunt, making her gasp again and again as she built up speed. I thought Judy was just going to come then, but she held off, clenching her buttocks and slowing the backward thrusts of her cunt to give out yet another instruction.

"Now put the other end inside you," she told her partner, "and sit right on it so that you can fuck me."

This was something I'd never done with Judy, because I don't really like dildos as I find them uncomfortable in my tight cunt. But now her lover merely slipped the dildo inside her dripping cunt, and pushed forward so that her pussy was right against Judy's buttocks, their mounds touching as Judy rose her bum higher to accommodate the dildo. Her cunt was gaping so wide that even from the doorway, I could see her wet, pink flesh closing around the dildo, and I could hear the squelches of cunt juice as they both started thrusting together.

I couldn't stop myself at that point. I bolted into the room, surprising Judy who saw me over her shoulder. But I was too far gone for an argument. I threw off my clothes, dumping them on the floor in my haste to get into the action, and jumped onto the bed. Bending down between the strange woman's legs, I began to lick her pussy.

Her cunt was so warm and welcoming that I pushed my tongue right up her straight away, feeling her pussy walls close around it as I worked my tongue up and around inside her. She moaned and stopped still for a moment, as I moved my thumb on her clitty to frig her off.

"Don't stop!" Judy breathed. "I need you to fuck me — I'm nearly there!"

Immediately her lover started again, moving her buttocks forwards and in a circular motion to give Judy as much stimulation as possible. The stranger's pussy smeared love juices all over my face as she fucked Judy and my tongue flicked over her cunt. My own fingers were down at my slit, rubbing all my juices around my love hole, slipping in and out of my cunt and my thumb working over my clitty. I felt so randy, I could barely contain my lust for the woman whose cunt I was licking, whom I'd never even set eyes on before.

In fact, I'd never even seen her face!

To anyone who might have seen us, the whole scene must have looked like a porn film set. My fingers were working away between my legs like lightning, little frissons of orgasm going through me, making my clitty so sensitive I could hardly bear to touch it, but I had to. I could feel Judy's buttocks thrusting backwards as she neared her climax, the whole bed creaking and shaking with the force that the stranger was putting into thrusting the dildo into Judy's soaking cunt.

Suddenly Judy roared out, a kind of howl of ecstasy that told me that she couldn't hold back any longer. Impaling herself one more time on the end of the dildo, she had her orgasm. That set her lover off too, and she ground her pussy onto my tongue frenziedly as the dildo scraped her cunt

walls. Trembling and sweating, they both collapsed in a heap onto the bed.

I was trembling with frustration. I was so near to coming, but hadn't made it, and my cunt ached, wanting to come. I knelt up on the bed, frigging myself, my fingers deep in my pussy, and looked at Judy for the first time.

She smiled at me. "I'm sorry," she said. "I was going to tell you about Karen, but I just never had the chance. I still want to fuck you too — I want to fuck you both."

I didn't want to think about that; all my thoughts were concentrated on the orgasm that I hadn't had and that I was so desperate for.

I looked at Karen, barely registering the fact that she was very attractive, and said, "Come over here, Karen, I don't believe we've been properly introduced."

I stood on the floor at the foot of the bed, naked, my legs spread, my pussy gaping and wet. Karen didn't speak, just crawled off the bed and knelt between my legs. She held up the dildo and looked at me questioningly, but I shook my head, and instead she ran her fingers very lightly over my wet slit and throbbing clit. Then, gripping my buttocks, she pulled my pussy to her face and slowly started to lick out my cunt.

I gasped when she pushed her tongue into me; it felt so good, the way she pushed inside me really firmly, making my cunt walls contract around her tongue. I bent my knees and really ground my cunt over her face, closing my eyes. I knew Judy was kneeling on the bed, and she was obviously as turned on as I was, because she started shouting out orders to me.

"Open your legs further, Helen. I can see Karen's tongue going right into your cunt. Let her fuck you with her tongue." I started to come then, knowing that Judy was getting off on watching another woman fuck me, seeing Karen now working her fingers in and around my slit along with her tongue, hearing my pants of ecstasy as Karen made me come again and again.

Suddenly, Judy couldn't stand just being a spectator any longer. I felt her leap off the bed and push Karen aside as she pulled my cunt to her face, licking me out as only she knew how. I opened my eyes and saw Karen stroking and caressing her as she licked me out, her tongue bringing me off again and again. Finally, my legs gave way and I lay on the floor, my ankles around Karen's shoulders while both she and Judy licked me out, French kissing each other just at the entrance to my cunt, so that I could feel them both inside me. I've never had an orgasm quite like the one I had then.

Afterwards, Judy confessed that she'd been fucking both Karen and I for some time. I didn't know whether to be angry or horny at the thought, but since then Karen, Judy and I have enjoyed threesomes on many occasions; and because I know I'm Judy's first choice, I don't mind sharing her sometimes.

In fact, I enjoy watching Karen and Judy fucking each other almost as much as I enjoy fucking Judy myself.

"I want to pose on a big double bed covered with white silk sheets!" Helena demanded when she turned up to do this, her first set for Club. And how could we refuse a girl with a bum like hers! But why silk sheets?

"I lost my virginity on a bed like that," 19-year-old Helena told us as she bounced about on the king-size version we provided, complete with those shimmering white accessories. "And since then I can't get it out of my mind.

"Actually, I'm saving up for one of my own. When I get it, any of you fellas want to come round and test my springs?"

Let's have an orderly queue now, lads.♣

Photographs by Electric Eye

It's been said here at Club that you can tell the popularity of a girl by the size of her sacks! (I've never heard 'em called that before — Ed.)

Of course what we actually mean is the size of the postbags full of letters from admiring pundits of the female form, and Clare here has

club

Next issue being frantically festive, we've chosen this very xmassy snap of Beatrice to entice you to buy it. As usual, we'll have absolutely nothing about Christmas in the mag, but we'll put some stupid pun like 'Yule love it' on the cover. However, we *will* have the following: a **free calendar** featuring your fave Club girls, **Ginny** getting her collar felt, **Terence Trendy**'s predictions for 1991, **Bea** with no clothes on, and **more girls than you could fit down your chimney**. So leave one out for Santa – it's more fun than mince pies. ♣

bit now and then. It makes me feel much more sexy."

I began to feel my crotch tighten as she said this, and trying not to make it obvious I eyed her up and down longingly.

She saw me gazing at her and responded by placing a hand on my bursting zip and lightly squeezing my cock, while licking her moist scarlet lips.

"David's on night shift this week," she whispered.

Everything clicked now. The horny bitch had set me up all the way — the dinner for two, no husband in sight, and now she had me well and truly by the balls.

Her heavy perfumed tits hovered in front of my face which made my cock throb even harder.

"God, you're so good looking," she told me, and pulled me close to her. "Want to skip the main course?" she asked, unzipping my trousers and releasing my boiling prick.

I didn't know what to do, but I found myself powerless to resist her. She slowly released my dick from its sweaty compartment, and it sprang to life. Lesley eagerly gripped my shaft with both hands, then teasingly applied her tongue to my purple knob end.

"Oh wow!" I gasped. "Suck me hard." And suck me she did. For the next ten minutes her tongue was doing overtime lapping away at my balls. She paused to probe the back of my throat with her tongue.

"You like the way I suck cock?" Lesley breathed. I just nodded eagerly.

She then stood up and walked to the back of the room, drawing the curtains and dimming the lights. Lesley turned to face me leaning back on the dining table and revealing the tops of her stockings and beckoning me towards her.

I stripped off completely except for my tee-shirt and willingly walked over to her. Lesley reached out with her long nails teasing the end of my knob, all the time looking me in the eye while slowly licking her upper lip.

"Unzip me at the back" she purred, knowing I was putty in her hands. As I undid her dress she pulled me closer towards her, digging her nails deep into the cheeks of my arse while tossing back her long blonde mane.

Her dress hit the floor and Lesley's tit flesh finally faced me. "Your tits are incredible," I told her, cupping them in my hands and teasing her nipples. My tongue was soon exploring her body, her tits, her stomach... then her pussy.

Lesley lay back on the dining table squeezing her boobs together as I spread her legs wide open. She was wearing only her black seamed stockings and suspenders, and I pulled them down towards her ankles.

I had never licked out a woman, but Lesley told me where to lick.

"I want to feel your cock inside me," she gasped. This was too much, she was so horny and the stiffness in my cock confirmed it.

Standing up, I slowly began to enter her quim. Lesley wrapped her legs tight around me, pulling me deep inside her.

We were both really hot for it now as we fucked like a pair out of a naughty film.

"Oh... fuck me really hard!" she crie.

I couldn't believe what was happening to me, but I just pushed harder as I built up to my orgasm.

"This is it, I'm going to come, do you want it?" I managed to cry out.

Suddenly Lesley shot upright pressing her tits against me.

"Yes, I want it!" she screamed, as I shot my load deep into her hole, then she climaxed at the same time.

We finally fell into a come soaked pile, as I kissed and licked all over Lesley's body.

Lesley's husband worked nightshift for the duration of my parent's holiday, and we shared many more fabulous, sexy nights together! — *Mark, Glasgow* ♣

ACKNOWLEDGEMENTS

***This issue was brought to you with:* the letter D, the number 5 and the word 'Vintner'. *Our special thanks go out to:* the Colombian cleaners, oolitic limestone, AC Ouzo, large pink jugs, Arthur Askey, Sol lager, Edgware Town Football Club, Nepalese restaurants, the NUM's bank manager, Texas Homecare, Play-Doh, Elvis Presley, the people and government of Eastern Samoa, Ron, Shaz, Baz, Caz and everyone else who knows us in Crawley, but most of all you, yes you, for believing in us when everybody else thinks we're a bunch of bastards (especially the Ed).** ♣

FINAL SCORE

The Ed's a sucker for anything with a happy ending or a nice bottom, so here's another big load of bollocks to send you on your way with a smile on your face. This month ***Vinny Sprocket*** *reveals 20 things that women never admit to...*

1. Blowing off.
Her assertion: *"It couldn't have been me 'cos I never fart."*
The truth: She may smell of roses but her arse can chuck 'em out worse than a weightlifter's laundry basket if she so wishes.

2. Reading magazines like Club International.
Her assertion: *"It just doesn't interest me."*
The truth: She's fascinated by other women's tits and flappy bits and can't wait to get to the letters page.

3. Having a hairy bum.
Her assertion: *"I don't have a hairy bum."*
The truth: You could be forgiven for mistaking her tush for Grisly Adams.

4. Having a wank.
Her assertion: (Coy and embarrassed) *"I don't do that sort of thing."*
The truth: The moment you're away for longer than a day her middle finger will be rubbing at her clit faster than Aladdin with his lamp.

5. Talking about your sex life with other women.
Her assertion: *"What happens between the two of us is private."*
The truth: Her closest friends probably know more about your knob and what you do with it than you do yourself.

6. Having a baggy fanny.
Her assertion: *"Your's dick's too small."*
The truth: She's got a Jack and Danny as big as a home brew bucket.

7. Wanting to fondle another girl's tits.
Her assertion: *"That's unnatural!"*
The truth: *"That sounds like very good fun."*

8. Fancying Curly from Coronation Street if they meet him in real life.
Her assertion: *"Uuurrggh, he's horrible."*
The truth: *"Hmm, he's a TV star."*

9. Being pissed.
Her assertion: *"I'm jusht a bit tipshy that'sh all."*
The truth: If her speech defect was any worse she could easily pass for Daffy Duck.

10. That you're not very good looking.
Her assertion: *"I think you're... cute."*
The truth: You're not very good looking at all, in fact you are probably very fucking ugly.

11. Fancying a one night stand.
Her assertion: *"I could never have a one night stand."*
The truth: *"... unless he was Curly Watts."*

12. Hating the taste of spunk.
Her assertion: *"I love the taste."*
The truth: She spits it out when you're not looking.

13. Being told what to do.
Her assertion: *"I don't like being told what to do."*
The truth: If you didn't tell her she wouldn't have a clue.

14. Sitting on your face and wriggling.
Her assertion: *"I feel embarrassed."*
The truth: She wouldn't have a clue what to do next because she wouldn't understand a word you were saying (see above).

15. They're ace when it comes to things mechanical/electrical.
Her assertion: *"I really haven't a clue how this works."*
The truth: She doesn't want to chip her nail polish.

16. They're not very good at telling jokes.
Her assertion: *"You're deliberately not laughing to make me look stupid."*
The truth: You're not laughing because her delivery is about as timely as a turd in a waterstrike.

17. They're not very good when it comes to understanding your jokes.
Her assertion: *"Is that supposed to be funny?"*
The truth: It was fucking hilarious only she wouldn't appreciate a punchline if it pinched her on the bum.

18. Wanting to shave off her pubes.
Her assertion: *"I couldn't — it would go all itchy."*
The truth: *"I'd love to, then you'd know what it was like snogging you when you've got stubble."*

19. Sniffing her underwear to see if it's wearable.
Her assertion: *"I put on a clean pair of knickers every single day."*
The truth: The only way she can tell if they're clean is by sniffing them.

20. Finding articles like this one amusing.
Her assertion: *"It's unfair, untrue and is quite frankly, insulting."*
The truth: It's a bloody sight more interesting than some pile of old shite about horoscopes written by some fat cunt with curly hair.♣
